THE KEY PROBLEM OF HUMANKIND

**"THE PROBLEM OF THIS HUMANKIND IS ITS NEGATIVE STATE
INTO WHICH IT GOT AND IN WHICH IT REMAINS
BY NEGATIVE CHOICES.**

**THE NEGATIVE STATE IS FORMED BY
LOW COARSE-VIBRATORY ENERGIES
WHICH ENABLE EASY CONTROLLABILITY BY PSEUDO-CREATORs
THROUGH WAVES (VIBRATIONS)
SENT FROM THE CONTROL-PYRAMID FORMED BY SLAVES AND
COMPUTERS FROM UNDERGROUNDS OF THE DARK WORLDS.**

**IN THE NEGATIVE STATE, THE CONSCIOUSNESS IS PERVERTED,
– IN FALSITIES, WHICH MEANS THAT FOR A HUMAN
THE WHITE IS BLACK AND THE BLACK IS WHITE.**

**THE NEGATIVE STATE IS 95 % FORMED BY THE DEAD LIFE,
I.E., THE SLAVISH, POOR AND MISERABLE PUPPET-LIFE.**

**ONLY CHOICE OF PURE LOVE INSCRIBED IN THE SPIRITUAL HEART
ENABLES ANYBODY TO LIBERATE FROM THE PUPPET-SLAVERY
AND ESTABLISH THE POSITIVE STATE OF CONSCIOUSNESS
LED BY HEART IN HIGH-VIBRATORY ENERGIES,
AND THEN TO RETURN HOME
– TO THE TRUE CREATION, THE HEAVEN,
ONE'S ETERNAL HOME AT THE PRIME CREATOR OF ALL AND
EVERYTHING.**

**IN THE POSITIVE STATE, THE CONSCIOUSNESS IS TRUE,
– IN TRUTH, I.E. FOR A HUMAN THE WHITE IS WHITE
AND THE BLACK IS BLACK.**

**THE POSITIVE STATE IS FORMED BY THE TRUE LIFE,
THAT IS FREE, GENEROUS, PURE, HAPPY AND DIGNIFIED LIFE.**

**THE CHANGE OF THE NEGATIVE STATE INTO THE POSITIVE ONE
MEANS REALIZATION OF POSITIVE CHOICES IN ONE'S LIFE,
MANAGING SPIRITUAL TESTS IN LIFE,
WHICH ARE DEFINED IN THE SPIRITUAL PATH.
NO OUTER ORGANIZATIONS ARE NEEDED FOR THIS.**

**THE FOLLOWING ATTRIBUTES ARE NECESSARY
FOR A POSITIVE CHANGE:
THE TRUE LOVE, HONESTY, OPEN-HEARTEDNESS, PURITY,
PERCEPTIVITY, SENSIBILITY, ABILITY TO SELFLESSLY GIVE
TO OTHERS, FAITH AND TRUST IN POSITIVE LIFE, ABILITY TO WORK,
DILIGENCE, BOLDNESS, COURAGE, DISCIPLINE, RELIABILITY,
FAITHFULLNESS, PATIENCE, HUMILITY,
ABILITY TO DISCERN BETWEEN GOOD AND EVIL,
TRUTH AND FALSITY, ABILITY TO REJECT EVILS
AND ACTUALIZE GOOD, FLEXIBILITY, ADAPTABILITY,
NO PLANNING OF LIFE, EFFICIENCY IN POSITIVE UTILIZATION
OF GIVEN ENERGIES (time, space, money, ...).**

**IT IS NOT NECESSARY TO BE HIGHLY EDUCATED
BY EARTHLY SCHOOLS – THESE ARE RATHER AN OBSTACLE
FOR THE POSITIVE CHANGE.
(they are control programs of the Forces of darkness).**

SCHEME OF CONTROLLING PEOPLE'S PHYSICAL BODIES BY MEANS OF THE INDIVIDUAL CONTROL PROGRAM

Processed by:
Ivo A. Benda
June 12, 2003

A CONTROLLED EARTH MAN WHO PROCEEDS ALONG THE SPIRAL OF HIS SPIRITUAL PATH (MESSAGES 819 – 847) AND THUS HE STEP BY STEP OVERCOMES THE SELF-CONTROL PROGRAMS (MATERIALISM, CAREER, MONEY, ALCOHOL, WORLDLY PLEASURES, ETC.) REQUIRES MORE AND MORE ATTENTION OF THE NEGATIVE ENTITIES FROM THE DARK WORLDS. THESE ENTITIES THEN CREATE THE INDIVIDUAL CONTROL PROGRAM. BUT THIS ONE IS INEFFECTIVE WHEN THE EARTH MAN EMPLOYS ALWAYS NEW APPROACHES AND ATTITUDES.

FROM THE HEART CHAKRA, THE INFORMATION – INSTRUCTIONS ARE PASSED TO THE HUMAN MIND AND THE PSEUDO-MIND AND THESE TRIGGER IN EARTH MAN'S PHYSICAL BODY SOME OF TWO TRILLION GENES – PROGRAMS FOR DIRECT MAKING OF MOVES AND LIFE STEPS. THE POSITIVE INSTRUCTIONS TRIGGER ONLY PURE GENES AND THE NEGATIVE INSTRUCTIONS TRIGGER ONLY BURDENED GENES (80 % OF PEOPLE HAS BURDENED GENES TODAY).

AN INDIVIDUAL WHO PROCEEDS FURTHER UP THE SPIRAL OF THE SPIRITUAL PATH IS MORE AND MORE DISRUPTING THE NEGATIVE SYSTEM BY HIS OWN POSITIVITY AND LOVE AND IN THE 7th REVOLUTION OF THE SPIRITUAL PATH, THE NEGATIVE ENTITIES FAIL IN GETTING HIM UNDER CONTROL EVEN WITH THE INDIVIDUAL CONTROLLING.

THE INSTALLING ENTITY (A WORKER FOR THE REMOTE DATA TRANSFER) – INSTALLS (INJECTS) AND TRANSFERS REMOTELY INTO THE NEGATIVE AUXILIARY CHANNEL OF HUMAN THE CONTROL PROGRAMS FOR A SPECIFIC PSEUDO-LIFE. EVERY DAY IN THE MORNING, THE PROGRAM IS STARTED WITH COMMAND "ATKAVISE" – I.E., START, WE BEGIN. THE PROGRAM STARTS IMMEDIATELY AS SOON AS AN EARTH MAN WAKES UP. HE IS SEEN IN THE DIMENSIONAL WINDOW OF NEGATIVE ENTITIES' OFFICE.

FOR OPERATIVE INTERVENTIONS SERVES THE CENTRAL CONTROL SYSTEM – THE DATASYSTEM. THE COMMAND FOR RUNNING ANY PROGRAM IS "TEKAVA". THE SEARCHING – READING PROGRAM, WHICH REACTS ON SPECIFIC ENERGETIC CONNECTIONS, CONTROLS THE SELF-TRIGGERING PROGRAM LOOPS.

THE ANALYST - PROGRAMMER – HE PROGRAMS INSTRUCTIONS SUPPLIED FROM THE INFORMATIC - ANALYST AND PASSES THE RESULTS ON TO THE INSTALLING ENTITY.

EVERYONE OF 6.5 BILLION EARTH MEN (AS OF 2003) HAS MINIMUM OF 9 SHADOWS - GUARDS, THAT IS 3 OF THEM FOR THE SPIRIT, 3 OF THEM FOR THE SOUL AND 3 OF THEM FOR THE PHYSICAL BODY. THEY ARE KEPT AN EYE ON BY DIRECTIVE ENTITIES AND THE ENTIRE PSEUDO-CONTROL-SYSTEM IS UNDER COMMAND OF PSEUDO-CREATORS WITH PERMISSION OF THE PRIME CREATOR OF ALL AND EVERYTHING FOR THE SAKE OF PROVIDING AN ANSWER WHAT NOT TO CHOOSE.

THE INFORMATIC - ANALYST – ANALYSES THE OVERALL SITUATION OF THE CONTROLLED SCENE AND THE CONTROLLED EARTH MAN. HE CHOOSES APPROPRIATE PRACTICES FOR CREATION OF NEEDFUL BLOCKS IN HUMAN'S BODIES AND CHAKRAS, AND MAKES PLANS OF FURTHER CONTROL PROCEDURES – PROGRAMS, WHICH HE THEN FORWARDS TO THE ANALYST – PROGRAMMER. HE HAS AT DISPOSAL ALL LIFE TAPES OF PREVIOUS LIVES OF HUMAN IN QUESTION AND HE PERFORMS VERY DETAILED PSYCHOSOCIO-ANALYSES ON STRONG AND WEAK ATTRIBUTES OF THE CONTROLLED EARTH MAN. CREATING A NEW SCENE BY THE ANALYST TAKES AT LEAST FROM 1 UP TO 3 DAYS. THE EMERGENCY GROUP MEMBERS CONVENE EVEN HOURLY TO CONSULT ABOUT THE MOST LOVING PEOPLE (BEING IN THE 5th REVOLUTION AND HIGHER IN THE SPIRITUAL PATH).

See messages 819 - 847 – THE SPIRITUAL PATH from book III. Talks with teachings from my Cosmic Friends, and messages 1561, 1578, 1579, 1684-1688, 1694-1699, 1702, 1709, 1710, 1713, 1714, 1717, 1718. LEVELS OF THE CONTROL PROGRAMS

Processed by: Ivo A. Benda
June 6, 2004

For each degree of human consciousness development, the negative entities have prepared the CORRESPONDING CONTROL PROGRAMS (CPs). They also contain the specific positive ideas that an Earth man uses in his life and these ideas correspond to the degree of truth and good that the Earth man achieved.

THE SPIRAL OF LEVELS OF THE CONTROL PROGRAMS IS CREATED BY THE NEGATIVE ENTITIES SO AS TO IMPEDE AND RETURN HUMAN BEINGS TO THE INITIAL POINT OF THE SPIRITUAL PATH. THEREFORE, THIS SPIRAL HAS THE OPPOSITE ORIENTATION (LEFT-HANDED, ANTICLOCK-WISE) IN CONTRAST TO THE SPIRAL OF SPIRITUAL GROWTH OF HUMAN CONSCIOUSNESS (RIGHT-HANDED, CLOCK-WISE) – SEE PIC. 688. THE FORCES OF DARKNESS RETURN AND KEEP A HUMAN BEING IN THE INITIAL POINT IN SUCH A WAY THAT THEY PROGRAM SCENES SO THAT A HUMAN WON'T MANAGE THEM. THEY CREATE BLOCKS IN HIS MAIN CHANNEL AND CHAKRAS, DISCONNECT THE DNA HELIXES AND, AS A RESULT, THE EARTH MAN HAS LESS AND LESS TRUE INFORMATION FROM THE PRIME CREATOR AND FROM COSMIC PEOPLE OF HEAVENS. SIMULTANEOUSLY, THEY REPROGRAM PURE GENES (THE PROGRAMS IN THE PHYSICAL BODY) TO THE BURDENED GENES THAT CAN BE USED ANYTIME TO TRIGGER DOING EVILS AND FALSITIES. IN THE MIDDLE AGES, THE PERCENTAGE OF BURDENED GENES WERE INCREASED BY THE NEGATIVE ENTITIES FROM 20% UP TO 50%; TODAY (YEAR 2004), PEOPLE HAVE AN AVERAGE OF 80% OF BURDENED GENES.

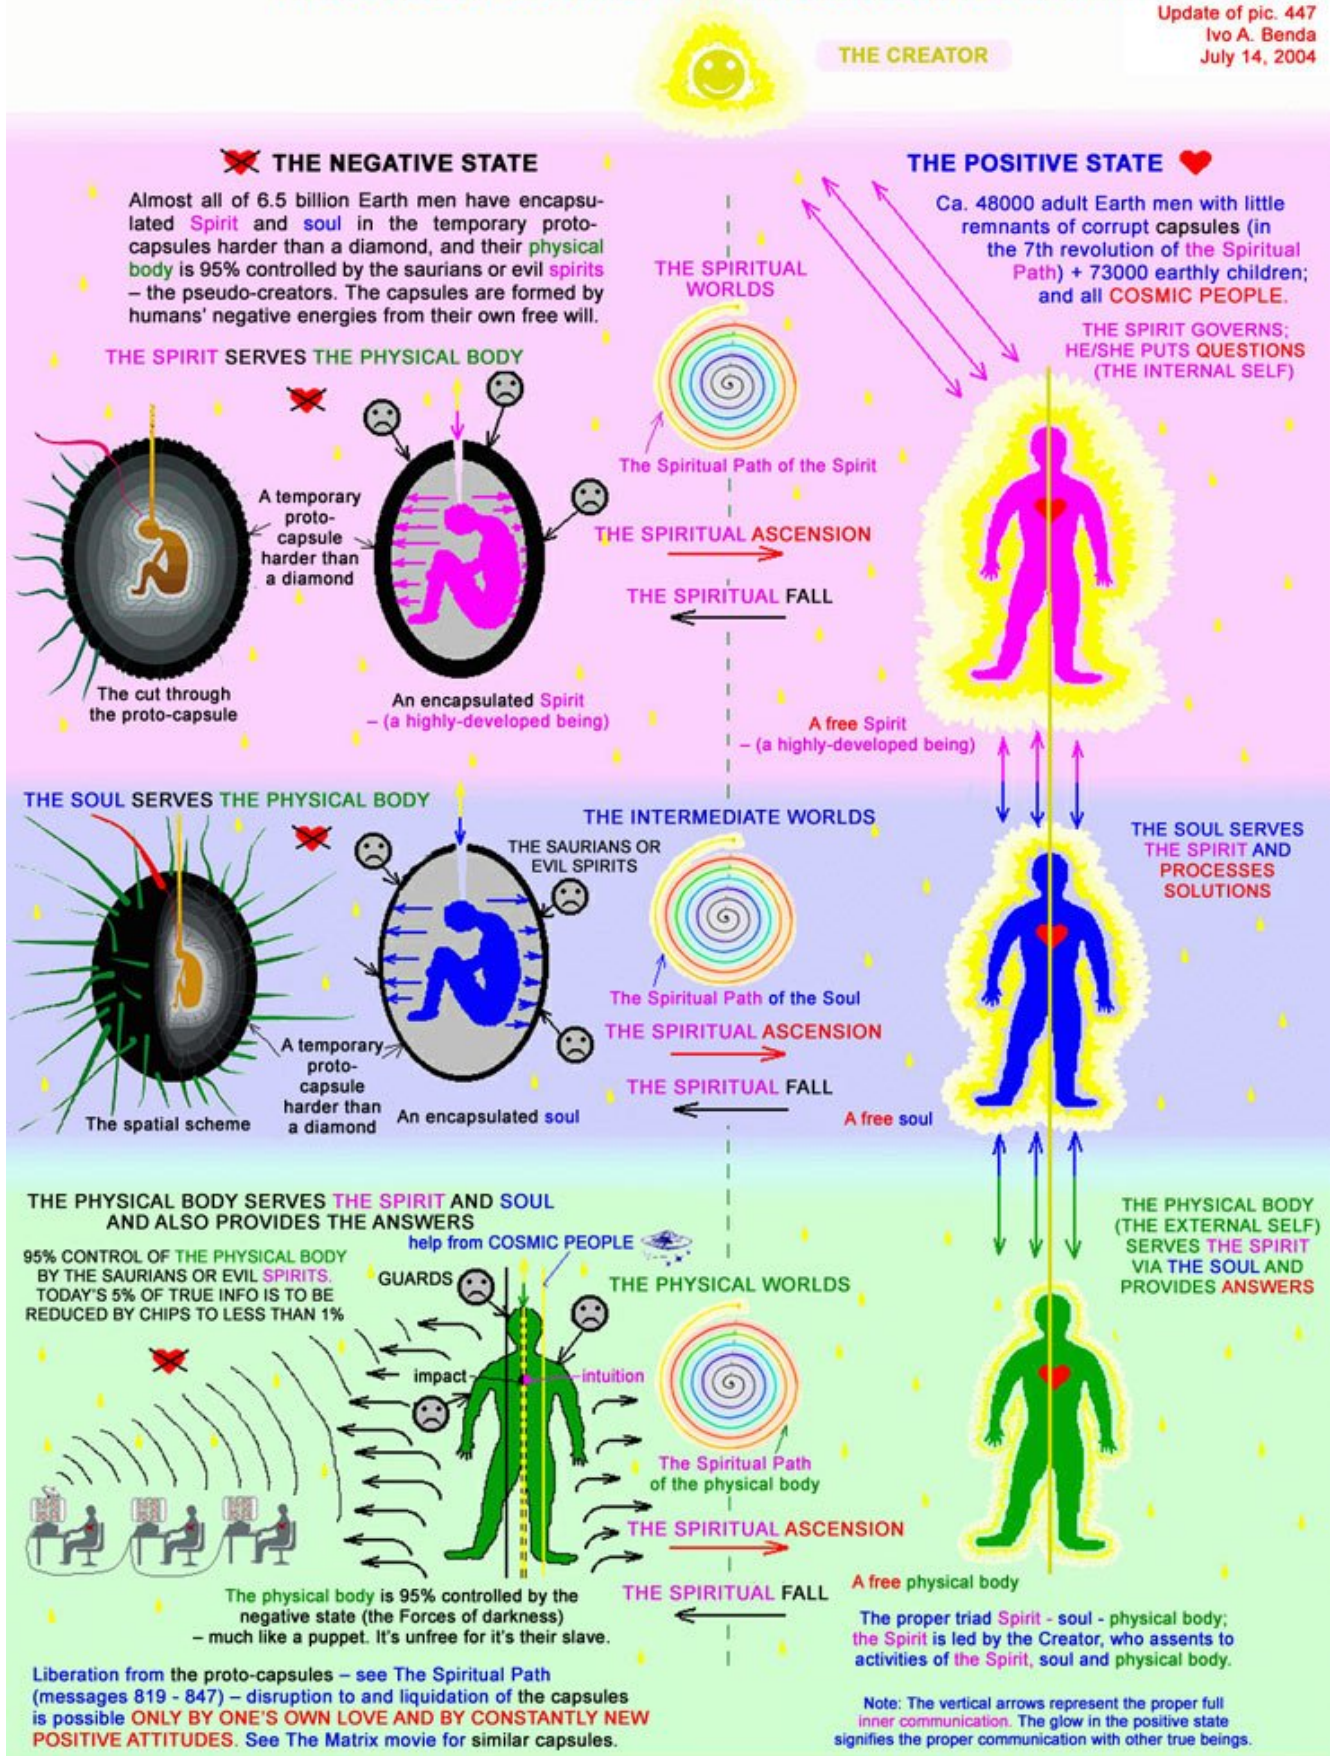

THE SPECIFIC ESOTERIC CONTROL PROGRAMS FOR THE 2ND – 7TH REVOLUTION are in fields of STONES, NUMERO, ASTRO, REIKI, CARDS, PROPHECY, FATE OR DESTINY, HEALING, MEDITATION, CHANNELING, SELF-KNOWLEDING, ATLANTIS, SPIRITUAL TRENDS AND PHILOSOPHIES, RELIGIONISTICS, MYSTERIES, U.F.O., EXTRATERRESTRIALS, PARAPSYCHOLOGY, PARANORMAL PHENOMENONS ETC. THE MAIN BEARING CONTROL PROGRAM HERE IS "DIVIDE AND CONQUER" – THE ISOLATION, SEPARATION OF PEOPLE TO THE "GROUPS"; THIS PROGRAM IS APPLIED EVERYWHERE.

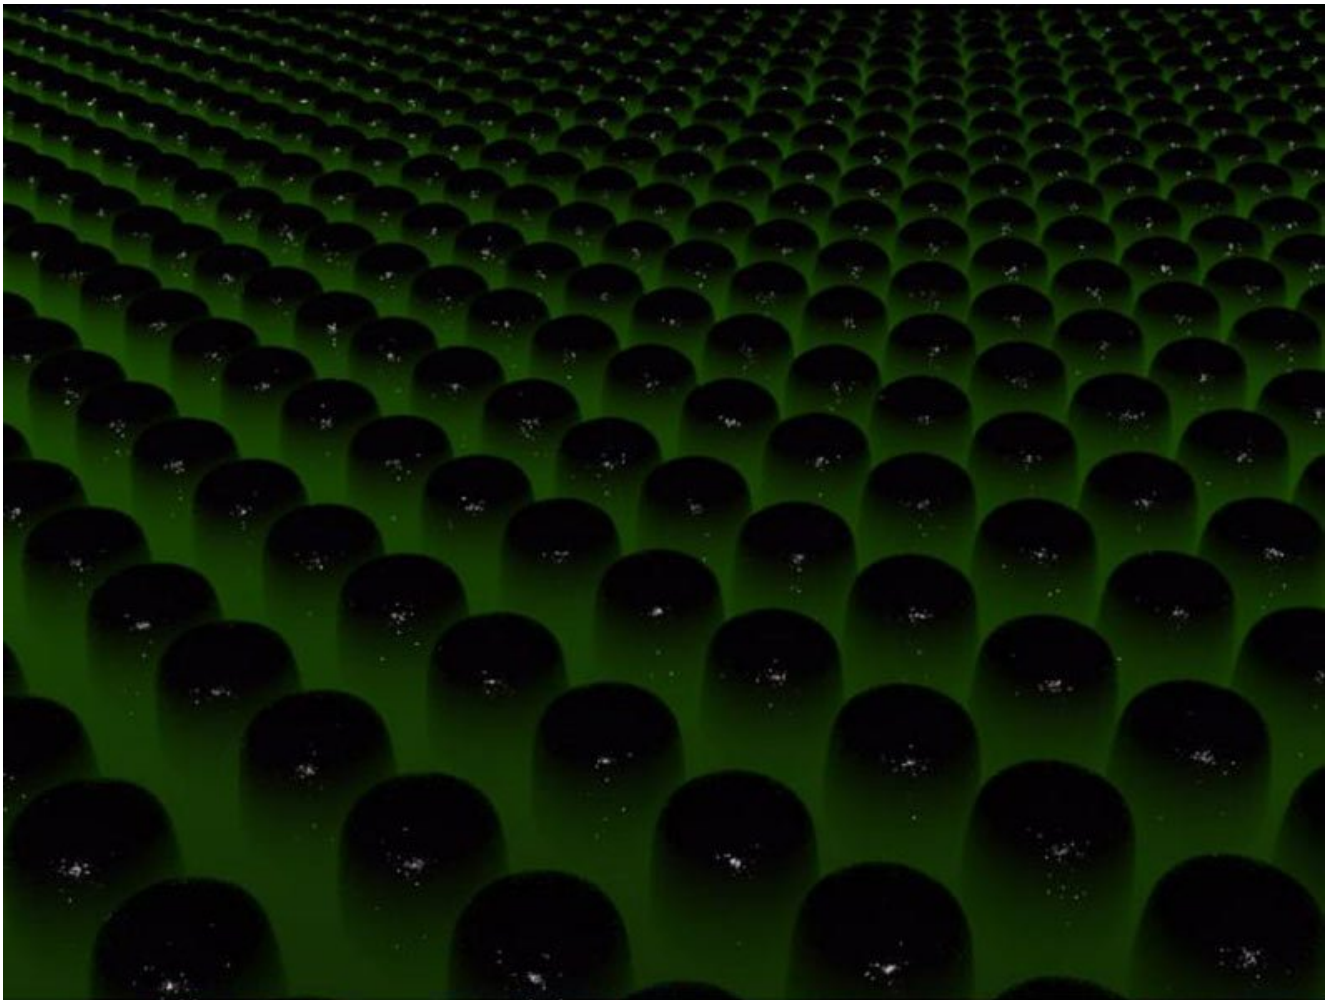

See messages 819 - 847 – THE SPIRITUAL PATH from book III. TALKS WITH TEACHINGS FROM MY COSMIC FRIENDS, and messages 1561, 1578, 1579, 1684-1688, 1694-1699, 1702, 1709, 1710, 1713, 1714, 1717, 1718. THE STATE OF EARTHLY MANKIND ON PLANET EARTH

Update of pic. 447
Ivo A. Benda
July 14, 2004

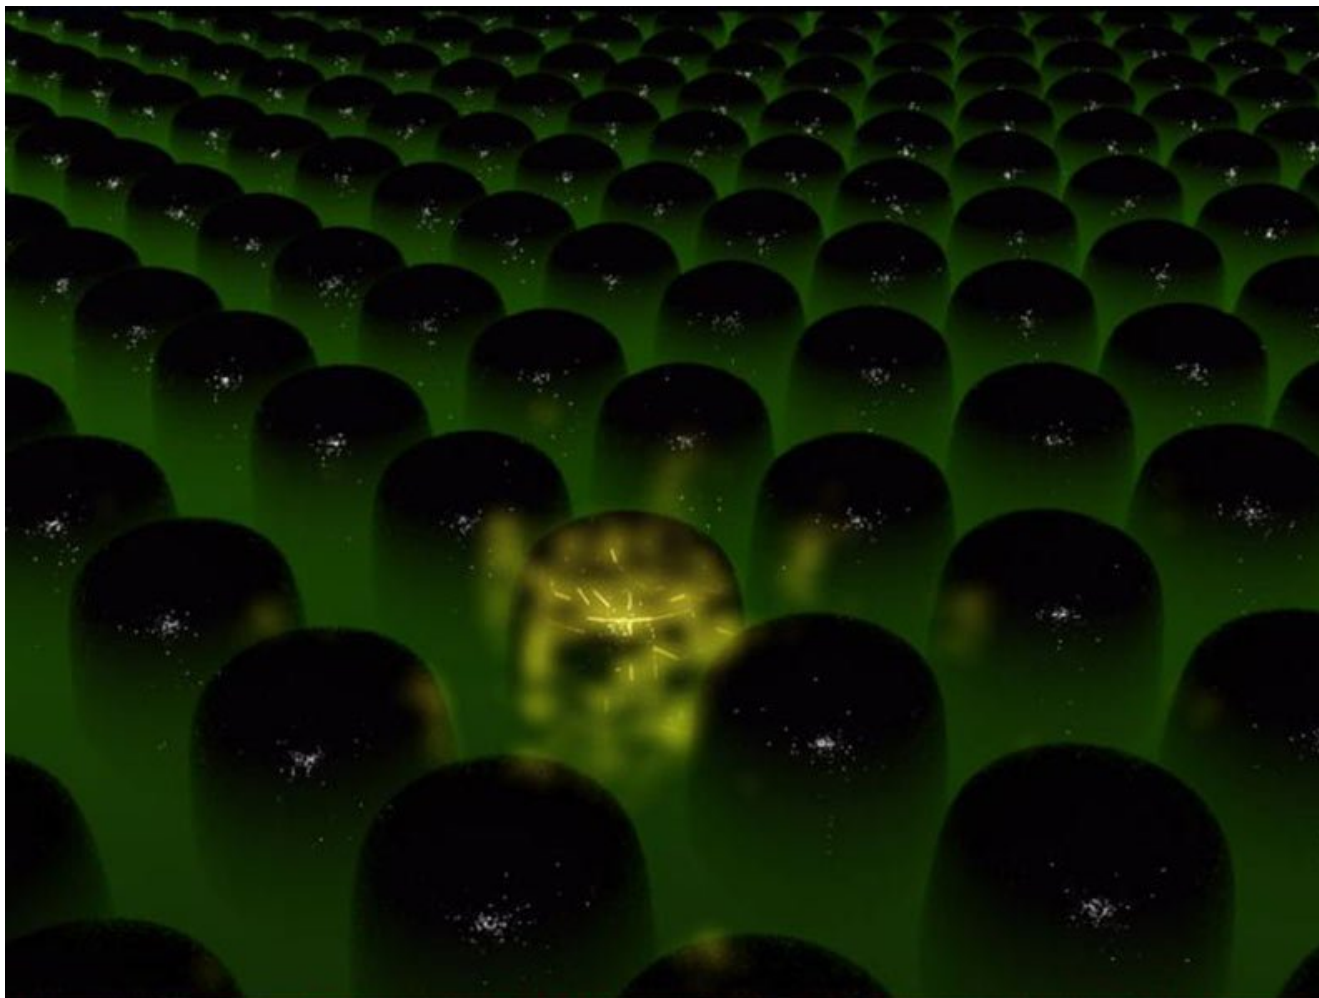

ENCAPSULATED SPIRITS (THE SPIRITUAL WORLD) OR SOULS (THE INTERMEDIATE WORLD) OF INDIVIDUALS – PHYSICAL BODIES OF ALMOST ALL (BUT 106 000) EARTH MEN AND HUNDREDS OF BILLIONS OTHER UNDEVELOPED BEINGS IN THE ZONE OF DISPLACEMENT. THE GREEN HAZE IS THE SLIMY INFORMATION SYSTEM OF THE NEGATIVE ENTITIES WHICH THEY USE FOR DISSEMINATION OF THEIR PSEUDO-PROGRAMS ETC. FOR MOST - CA. 92 % - OF EARTH MEN, THERE IS 95 % OF THE DARKNESS AND MERELY 5 % OF THE LIGHT (ILLUSTRATED AS A WHITE ENTRY POINT ON EVERY PROTON CAPSULE). THE GREEN HAZE REACHES UP TO 80 % OF CAPSULE'S HEIGHT. THIS PSEUDO-INFORMATION SYSTEM IS OF STATIC NATURE AND ITS PRIMARY PURPOSE IS TO CONTINUALLY LOAD AND INJECT THE CONTROL PROGRAMS AND PSEUDO-INFORMATION OF PERVERTED REALITY. IN ADDITION, THE CAPSULES ARE CONNECTED THROUGH THAT SYSTEM TO THE INFORMATION-ENERGETIC STRUCTURES OF THE NEGATIVE STATE AND SO EVERYTHING IS CONTROLLED BY THE PSEUDO-CREATORS – THE ACTIVATORS OF THE NEGATIVE STATE. THE ENCAPSULATED INDIVIDUALS, BY ACCEPTING, PROCESSING AND UTILIZING THE CONTROL PROGRAMS AND ILLUSIONS OF THE NEGATIVE STATE FROM THEIR OWN FREE WILL AND BY THEIR OWN CHOICE, SERVE AS ENERGY TRANSFORMERS – THEY SUPPLY ENERGY TO THE NEGATIVE ENTITIES IN FORM OF NEGATIVE EMOTIONS, WHICH THESE INDIVIDUALS EXPERIENCE IN THIS PROCESS. CONSEQUENTLY, BY THIS BEHAVIOR, THEY ENTER THE STATE OF SPIRITUAL GROWTH STAGNATION, AND THEY CONSTANTLY DEGRADE THEIR VIBRATIONS WITH ALL CONSEQUENCES AND OUTCOMES OF SUCH CHOICE.

THE SLIMY INFORMATION SYSTEM IS A SOFT STICKY WEB OF LOTS OF LINKS – FIBRES – A BIT SIMILAR TO HUMAN BRAIN NEURONS. 80 % OF HEIGHT CORRESPONDS TO TODAY'S 80 % OF BURDENED GENES OF PHYSICAL BODIES OF PEOPLE ON PLANET EARTH AND THIS NUMBER IS CONSTANTLY INCREASING. THE PSEUDO-CREATORS' GOAL IS TO LOWER THE 5 % OF THE TRUE INFORMATION PEOPLE HAVE TODAY DOWN TO A MINIMUM (1 %) BY MEANS OF THE UPCOMING CHIP CONTROL SYSTEM.

SEE MESSAGES 819 - 847 – THE SPIRITUAL PATH FROM BOOK III. TALKS WITH TEACHINGS FROM MY COSMIC FRIENDS, AND ALSO MESSAGES 1561, 1578, 1579, 1684 - 1688, 1694 - 1699, 1702, 1709 - 1710, 1713 - 1714, 1717. WHEN A HUMAN ENTERS AND PROCEEDS IN THE SPIRITUAL PATH, THE FIRST SMALL CRACKS APPEAR AND THERE IS MORE LIGHT FROM THE PRIME CREATOR OF ALL AND EVERYTHING BREAKING THROUGH TO THE ROTATING PROTON CAPSULE. THIS LIGHT (THE INFORMATION, THE ENERGY) HAS A PERSONAL AND UNIQUE CHARACTER AS IT IS INTENDED FOR GIVEN INDIVIDUAL. WITHIN THIS INDIVIDUAL, THE DEGREE OF THE TRUE INFORMATION IS BEING INCREASED AND SO HE SERVES AS THE TRANSFORMER OF LIGHT ENERGY FOR HIS SURROUNDINGS AND HIS RADIATION INTERFERES WITH SURROUNDING CAPSULES; THE CHAIN REACTION BEGINS. THEREFORE, IT IS NOT AN INTERFERENCE WITH THE PROCESS FROM THE OUTSIDE, BUT IT IS A FREE WILL OF ONE WHO IS INSIDE THIS SYSTEM (I.E., AN INDIVIDUAL INCARNATED ON PLANET ZERO).

THUS, BY THIS ENERGY OF LIGHT, HE DISRUPTS THE CONTROL SYSTEM IN THE NEAREST SURROUNDINGS AND HE GRADUALLY DECREASES THE DEGREE OF CONTROL, PROMOTES HIS VIBRATIONS AND MOVES UP THE SPIRITUAL PATH (MESSAGES 819 – 547) BACK TO THE PRIME CREATOR OF ALL AND EVERYTHING. THIS IS THE MAIN MISSION OF ALL AGENTS OF THE POSITIVE STATE, NAMELY THE POSITIVE, LOVING LIFE. SUBSEQUENTLY, SOME OF THEM MAY PERFORM A SPECIFIC MISSION OF THESE THREE FIELDS: TELEINFORMATION, MEDITATION, HEALING. SO, A BEING PROCEEDING HIS SPIRITUAL PATH DIRECTLY OR INDIRECTLY INFLUENCES HIS SURROUNDINGS. IN THE PROCESS OF DECAPSULATION, THE BEING PROCEEDS ALONG THE SPIRAL OF THE SPIRITUAL GROWTH AND HE GRADUALLY PASSES THE SPIRITUAL TESTS, ESTABLISHES FIRST COMMUNICATION CONTACTS WITH BEINGS OF LIGHT AND PERFORMS HIS MISSION UP TO THE POINT OF ENLIGHTENMENT – THE POINT OF TRANSVIBRATION TO A HIGHER DIMENSION.

THE POSITIVE STATE → full usage and utilization of the gifts of the Spirit in one's spiritual work

Note: On the way to the transvibration to the 5th dimension are mostly people from the 7th, 6th, 5th revolution and the total number estimates to ca. 1.2 %.
The condition of the transvibration is FULFILLED LIGHT-MISSION OF LOVE.

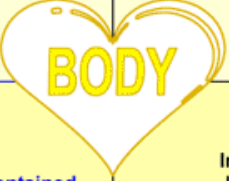

Between July 7, 2002 and August 10, 2004, the number of decapsulated adult people in the 7th revolution increased from 33 000 up to 48 000, and other ones have been moving here from the 6th and 5th revolution – the 1st wave of transvibration (which shall take place in oncoming years) is being filled.

THEY CONTROL YOU !

Dear people,

It's time to advise you of YOUR SITUATION and inform you of YOUR POSITION within THE PUPPET-SYSTEM here on planet Earth in the 3rd dimension. It has been enough stupefying people by scientists, officers and other EXTERNAL structures.

THE THOUGHTS YOU HAVE ARE 95 % NOT YOUR THOUGHTS (in respect to their source and origin), BUT THEY ARE CONSTANTLY, SYSTEMATICALLY AND CUNNINGLY CREATED, DIRECTED AND SUPPLIED TO YOUR PSEUDO-MIND (artificially created mind of the physical body) BY NEGATIVE EXTRATERRESTRIALS, UNEMBODIED – EVIL SPIRITS, BUT, IN THE FIRST PLACE, BY EMBODIED OR INCARNATED SPIRITS (in other dimensions) – MOSTLY SAURIANS (black-eyed extraterrestrials with reptile internal structure of their body who feed with your fear – coarse-vibratory energies) AND OTHER ENTITIES – UNDER THE BATON OF PSEUDO-CREATORS – THE CHIEFS OF THE NEGATIVE STATE. YOUR BRAIN, NERVOUS SYSTEM AND SEXUALITY HAVE BEEN UTTERLY "REWIRED" BY PSEUDO-CREATORS IN THE PROCESS OF HUNDREDS OF THOUSANDS OF YEARS LASTING FABRICATIONS OF ANIMALS AND HUMANS. YOUR VERY BRAIN IS ONLY 5 % USED (MOSTLY ITS ANIMALISTIC PART). ALSO HALVING THE BRAIN AND NON-REGENERATIVE BRAIN CELLS IS THE PSEUDO-CREATORS' WORK (not work of the Prime Creator of all and everything).

THESE THOUGHTS, FORCEFUL INJECTIONS BY NEGATIVE ENTITIES, BECOME YOUR THOUGHTS BY YOUR FREE CHOICE AT THE MOMENT YOU ACCEPT AND ADOPT THEM AS YOURS AND WORK WITH THEM. THE PHYSICAL BODY ACTS ACCORDING TO THEM LIKE A PUPPET AT MENTIONED 95 % (an average). THUS, MERE 5 % OF THOUGHTS AND ACTS STEMS FROM ELSEWHERE – FROM YOUR TRUE ENCAPSULATED SPIRIT VIA YOUR TRUE ENCAPSULATED SOUL (refer to pictures 448, 449, messages 1561, 1565-7, there is a minimal opening in capsules in order for the spirit/soul to be able to survive, see THE MATRIX movie), FROM THE COSMIC PEOPLE OF THE FORCES OF LIGHT – HEAVENLY ANGELS AND FROM THE PRIME CREATOR OF ALL AND EVERYTHING.

THIS SITUATION CONCERNS CA. 95 % OF ENTIRE MANKIND ON PLANET EARTH. IT IS POSSIBLE TO LIBERATE ONESELF FROM THIS TRAP OF THE NEGATIVE STATE FROM ONE'S OWN FREE WILL AND BY ONE'S OWN FREE CHOICE THROUGH LOVE. EARTHLY WORKERS OF LIGHT (inconspicuous), COSMIC PEOPLE AND THE CREATOR OF ALL AND EVERYTHING ARE HERE TO HELP YOU. HOWEVER, THEY DON'T INTERFERE WITH YOUR FREE WILL ! THEY ALL LOVE YOU VERY MUCH AND HAVE BEEN WAITING FOR THOUSANDS AND MILLIONS OF YEARS FOR YOUR RETURN HOME – TO TRUE WORLDS OF THE TRUE CREATION – THE HEAVEN, WHERE YOU WERE ORIGINALLY CREATED BY THE LOVE OF THE PRIME CREATOR !

YOUR STATE IS NOT PERMANENT, BUT TEMPORARY, FOR THE SAKE OF IMPORTANT SPIRITUAL LESSON FOR ALL.

OTHER INFORMATION CAN BE FOUND IN THE SUFFICIENT VOLUME (OVER 7000 PAGES OF TEXTS AND 5000 PICTURES including hundreds of portraits of Cosmic people) AT www.angels-heaven.org , www.angels-light.org, www.cosmic-people.com . THESE INFORMATION ARE 90 % RECEIVED FROM THE PRIME CREATOR OF ALL AND EVERYTHING AND COSMIC PEOPLE OF THE FORCES OF LIGHT BY MEANS OF INTERNAL CONTACT THROUGH MORE THAN 100 EARTHLY WORKERS OF LIGHT FROM ENTIRE PLANET EARTH, WHO ARE NOT EXTERNALLY ORGANIZED IN ANY WAY. THAT PEOPLE ARE GREATLY INTERESTED IN THIS VITAL INFORMATION SHOWS THE NUMBER OF WEBSITE ACCESSES – 140 000 CZ AND 50 000 EN.

YOU SAY YOU ARE FREE – HEREBY WE ARE SUBVERTING YOUR CONCEPT OF FREEDOM, SINCE, IN FACT, IT IS A PSEUDO-FREEDOM – THE STATE ARTIFICIALLY AND COVERTLY FABRICATED BY THOSE WHO CONTROL YOU – THE PSEUDO-CREATORS. THEY ARE MASTERS IN THIS, THEY HAVE GAINED EXPERIENCE IN THIS FOR MILLIONS OF YEARS ON HUNDREDS OF THOUSANDS OF PLANETS IN THE ZONE OF DISPLACEMENT (black universes).

YOU SAY YOU HAVE A DEMOCRACY – HEREBY WE ARE SUBVERTING YOUR CONCEPT OF DEMOCRACY SINCE, IN FACT, IT IS A PSEUDO-DEMOCRACY.

6.5 BILLION PEOPLE NOW LIVING ON PLANET EARTH INCARNATED FROM THE FOLLOWING PLACES IN THE FOLLOWING NUMBERS:

(A)

900 MILLION SOULS INCARNATED FROM TRUE PLANETS (where Cosmic people are, too) OF THE TRUE CREATION (the zone of placement) WITH A POSITIVE MISSION – LIFE BASED ON LOVE.

(B)

4.5 BILLION SOULS INCARNATED FROM THE DARK WORLDS (the zone of displacement) WITH A NEGATIVE MISSION.

(C)

1 BILLION TRUE HUMANS (fabricated here on Earth) INCARNATED FROM THE DARK WORLDS (the zone of displacement) WITH A NEGATIVE MISSION.

(D)

65 MILLION NEUTRAL HUMANS (1 % of entire population) WHO INDEPENDENTLY ILLUSTRATE THE TRUE STATE ON THE PLANET EARTH.

With love, a worker of Light and Cosmic people of the Forces of Light.

YOU ARE IN THE PUPPET-WORLD

**Your physical bodies are under 95 % control
by negative entities from planet Earth and from elsewhere in
space.**

**Pseudo-creators from space encapsulated your Spirit and soul
into proton CAPSULES,
so your true Spirit and true soul is
with your physical body in AS LITTLE AS 5 % contact !!!**

**By your own free choice, you appear in a pseudo-world
95 % controlled by the Forces of darkness
through thousands of control programs
with PERMISSION of the Prime Creator of all and everything
for the sake of important SPIRITUAL LEARNING
on one's own skin.**

**Some of you are here
to improve the LOVE OF GOOD, TRUTH, WISDOM, LIFE,
and thus to improve the HELP TO ONE'S FELLOW,
thus to improve THE LOVE TO THE PRIME CREATOR OF ALL
AND EVERYTHING.**

**Most of you on Earth chooses
improving the LOVE OF EVIL, FALSITIES, DUMBNESS,
thus improving the LOVE OF MATTER – WORLDLY LOVE,
thus the LOVE TO THE PSEUDO-CREATORS FROM THE HELLS
– THE DARK WORLDS.**

**Each of these CHOICES
has its CONSEQUENCES AND OUTCOMES,
which every individual will VIVIDLY AND CONCRETELY
experience in this life or next ones ON HIS/HER OWN SKIN.**

All information can be found at www.angels-heaven.org

THE TRUTH

**IF YOU WANT TO KNOW THE TRUTH,
THEN EVERYTHING THAT WAS AND IS IMPOSED ON YOU
IN SCHOOL, IN WORK, IN MEDIA AND ELSEWHERE,
IS EXACTLY UPSIDE DOWN.**

IT IS THAT EASY TO FIND THE TRUTH.

THE TRUTH IS SIMPLE.

**COMPLEX AND COMPLICATED ARE CONTROL PROGRAMS,
BY WHICH THE OTHER SIDE KEEPS YOU
IN DEEP IGNORANCE AND SLAVERY.**

Controlling people's physical bodies by means of the individual control system

*I recommend you to refer to the **diagram – pic. 811** (in color) and **812** (black-and-white) at www.angels-heaven.org . It is about testimony of entrusted people who could, in relation to their mission of Light, accompanied by and with exposition of **SEVERAL COSMIC PEOPLE**, visit, see and after sleep (in the morning) write down these pieces of information about **work of the negative entities who control the earthly mankind at 95 %** in an abominable, deceptive and cunning manner. Exposing their practices is also helpful for us and contributes to the **understanding** of our **pseudo-world** and **pseudo-life**, which we live here. Thanks to this understanding, we can easier and more **effectively liberate** ourselves hand in hand with **LOVE “that is pure like shining snow”**.*

“None are more hopelessly enslaved than those who falsely believe they are free.”

Johann Wolfgang von Goethe

„THE PHYSICAL BODY of every human is constantly affected by operation of both **LOTS OF LIGHT BEINGS – TRUE SPIRITUAL PRINCIPLES** and **LOTS OF NEGATIVE ENTITIES – THE PERVERTED SPIRITUAL PRINCIPLES** (see books of The New Revelation). This operation is **INTENSIFIED** by the fact that the pseudo-creators, for the purpose of their operations, **ENCAPSULATED** the Spirit and the soul of **99.9985 %** of population of planet Earth (as of year 2003), so that people **WOULD NOT** be able to properly control their physical body. Human life is formed by **PENETRATION OF THESE ENERGIES**, by **HIS/HER OWN STATE**, and a **HUMAN HIMSELF MAKES CHOICES WHICH ENERGIES HE/SHE WILL USE IN HIS/HER LIFE**. The big role here is played by the **CONSCIOUSNESS – THE ABILITY TO DISCERN THE POSITIVE FROM THE NEGATIVE** based on the **DEGREE OF KNOWLEDGE**. Our **SPIRITUAL TEACHING** at www.cosmic-people.com , www.angels-heaven.org presents a source that serves this help and purpose.

A controlled Earth man who proceeds along the spiral of his/her **Spiritual Path** (messages 819 – 847) and thus he/she step by step overcomes the self-control programs (materialism, career, money, alcohol, worldly pleasures, etc.) requires more and more attention of **the negative entities from the Dark worlds**. These entities then create **THE INDIVIDUAL CONTROL PROGRAM**.

An individual who proceeds further up the spiral of the **Spiritual Path** is more and more interfering with and disrupting the negative system by his/her own positivity and love, and in the 7th revolution of the **Spiritual Path**, negative entities fail in getting him/her under control even with the individual controlling.

Every human has in axis of his **physical body** the **MAIN CHANNEL** whose middle part is formed by the **STELLAR** or **ASTRAL CHANNEL** with lots of **SMALL CHANNELS** around it. This **Astral channel** belongs to the **Prime Creator of all and everything**, i.e., this channel transmits information from and to the Prime Creator and it is impossible to block it. Other small channels around the astral one belong to given being, who **BEARS THE RESPONSIBILITY** for them. These channels are in **98.75 %** of Earth men virtually **DISABLED** and **BLOCKED** (i.e., non-functional). This is the outcome of their **NEGATIVE LIFE IN THIS AND PAST LIVES**. Mere **1.25 %** of Earth men lives **IN LOVE AND GOODNESS**; therefore, their channels are not blocked and their chakra system is more or less functional.

Therefore, every being in the zone of displacement has 2 auxiliary channels along the main one:

On the left – **THE POSITIVE AUXILIARY CHANNEL**

On the right – **THE NEGATIVE AUXILIARY CHANNEL**

Auxiliary channels are ca. 12 cm (4.72 inches) far from the main channel and are connected to it at the level of the 4th – the heart chakra. These channels transmit either positive (the positive channel) or negative (the negative channel) information – energies to the **HEART CHAKRA** instantaneously at the moment a human being makes either positive or negative choice. In accordance to the type of energies, the heart chakra is either **OPENING** (positive, loving energies) or **CLOSING** (negative energies) much like a **weighing-machine**.

From the heart chakra, information – instructions are passed to human mind and pseudo-mind and these trigger in Earth man's physical body some of 2 trillion genes – programs for direct making of moves and life steps. In doing so, **THE POSITIVE INSTRUCTIONS** trigger only **PURE GENES**, and, on the other hand, **THE NEGATIVE INSTRUCTIONS** trigger only **BURDENED (LADEN) GENES**. People today have an average of 80 % of burdened genes.

99.9985 % of people on planet Earth has the **soul** and the **Spirit** in **CAPSULES**, which was done by **the pseudo-creators** so that they could **CONTROL physical bodies**. **Today, 95 % of people is controlled by them at 95 % !**

Only 106,000 (0.0015 % of) people have non-encapsulated soul and Spirit, and out of this number, **33 000 adults** have therefore restored true communication and contact among the **Spirit, soul and physical body**, and **73 000 children** have the original true communication and contact among the **Spirit, soul and physical body**.

For the purpose of **HELP**, in the top-bottom direction, **THE LEFT – THE POSITIVE AUXILIARY CHANNEL** is supplied with helpful information or energies by at least one **GUARD OF LIGHT – COSMIC PEOPLE OF THE FORCES OF LIGHT – MULTIDIMENSIONAL BEINGS** whom we feel or sense **“IN SPIRIT”** or as an **INTUITION** – the quiet voice with **THE POSITIVE GUIDANCE WITH LOVE, TRUTH AND WISDOM** – that is, with true, positive and up-to-date information.

For the purpose of **NEGATIVE CONTROL** – like **PUPPETS**, in the bottom-top direction, **THE RIGHT – THE NEGATIVE AUXILIARY CHANNEL** is supplied with **NEGATIVE CONTROLLING ENERGIES WITHOUT LOVE, WITHOUT TRUTH AND WITHOUT WISDOM** by **THE NEGATIVE CONTROL PSEUDO-SYSTEM**. This system is i.a. formed by three negative entities – **GUARDS – SHADOWS – FROM THE DARK WORLDS**:

(1)

THE INFORMATIC – ANALYST – ANALYSES the overall situation of the controlled scene and the controlled Earth man. He chooses appropriate practices for creation of needful **BLOCKS** in human's bodies and chakras, and makes plans of further **CONTROL PROCEDURES – PROGRAMS**, which he then forwards to the **ANALYST – PROGRAMMER**. He has at disposal all life tapes of previous lives of human in question and he performs very detailed **PSYCHO – SOCIO – ANALYSES** on strong and weak attributes of the controlled Earth man. The life tape of the controlled Earth man is displayed in the middle of analyst's computer monitor, and at the sides, there are other life tapes (ca. six of them) of Earth men from the closest surroundings of the controlled one – job, family, etc. – this is for the purpose of **EXTERNAL CONTROLLING VIA OTHER PEOPLE (ENERGETIC CHANNELS)**.

CREATING A NEW SCENE by the analyst TAKES AT LEAST FROM ONE UP TO THREE DAYS. FOR THAT REASON, IT IS CONVENIENT FOR POSITIVE AND LOVING PEOPLE NOT TO PLAN IN ADVANCE – TO DECIDE LAST-MINUTE STEP BY STEP UNDER GUIDANCE OF THE FORCES OF LIGHT. THEN, THE CONTROL PROGRAMS AND SCENES (WHICH POSSIBLY INCLUDE OTHER PEOPLE) ARE EITHER NOT SUFFICIENT OR NOT PREPARED WHATSOEVER !!!

Analytic data is also printed on paper, texts are colored with our letters and are extensive. If someone on Earth is really healthy and lives in love, this one is colloquially named “sick” and one needs “treatment” (i.e., sickness, injury) so that one can become healthy (i.e., sick).

In one's **PERSONAL CARD** is listed data as follows:

PAST LIVES – all of them are available, but not all of them may be understood correctly

EDUCATION – including **rare education, special education, abilities ...** (gained prior to birth – in past lives, during personal trainings in the intermediate world prior to birth, and after birth – earthly education and one's favorite hobbies)

WHERE THE SPIRIT AND THE SOUL CAME FROM – from which levels – dimensions, universes and worlds, from which spiritual family

MISSION – TASK – either a **basic one – THE POSITIVE LIFE**, or one that also includes field of **teleinformation, meditation, healing**, other specific fields. Example of such a record: ... painting portraits of Cosmic people in pen (in one's youth), today one was talking about Cosmic people while traveling in the train ... arranging lectures about Cosmic people, makes transmissions to people (from Cosmic people – by word) another activities ... etc.

BEHAVIOR

CLOTHING

SEXUAL ORIENTATION

MEDICAL CARD – (blue font) deviations from standard, records of diseases – all of them (not only what earthly doctors have in earthly medical cards), information about treatments on Earth – effective, ineffective ... at the end was a symbol – a blue bird. 98 % of people is more or less sick.

The document can, for example, contain the following important information:

After 1973, lots of information about Cosmic people (code for Cosmic people: „the youngest“) (so called literature science fiction, published mainly in the former Soviet Union as a reaction of the Eastern block (USSR) to successful landings on the moon of the American spacecrafts for example, including the Czech film 1973 "ACTION BORORO" and other films – processor's comment), which results in first awakening and first signs of love.

Information about other contacts ...

Another key points: He was sad, friendly, unconsciously friendly, the first intimate contact, oath of faithfulness, relationship continues, internationally recognized limits for love were exceeded.

Communication with me (*the controlling entity*) is in jeopardy because of the youngest ones.

Planned measures – objectives:

- prevent from contacts with partner and inhibit a higher level of feelings for partner
- induce "blind alley" (inconclusive situation)

Other personal data :

- high spiritual participation on at system assignment
- more precise expressions, lack of negative motives, improvements of creative efforts
- adequate control system
- beginning of other new creative efforts and improving negative attitudes at work (source: the datasystem)

Conclusion:

(1)

Proceed with highest caution, present approach was insufficient, possibility of infiltration.

(2)

Control was disproportionate, direct participation of other entities is necessary, high degree of lovingness of the youngest (*Cosmic people*)

(3)

Much more frequent lovingness than before, mutual experience of other beginning excessively high positive opportunities.

(4)

Potentially needed a powerful group (of controlling entities) aimed at work on other changes.

Moreover, one can see in their computers:

- **THE DETAILED listing of health condition** – negative things ...
- according to it we build **NEW COMPUTER FOR OTHER NEGATIVE OPERATION** (data-system)
- lack of lovingness (*they have different name – code for that word, our word lovingness is dangerous for them due to its positive radiation – processor's comment*)
- immaturity of feelings for one of members one's spiritual family
- one does not increase his vibratory level, immature relation on that member
- participation on other processes needed for introduction of **UNLOVING COMPETITIVE RELATIONSHIPS**
- **PICTURE BOOK** (watched for all the time of this transmission) – windows containing pictures – **IMPACTS** – **INSERTION OF NEGATIVE ENERGETIC IMPULSES** (e.g.,

painfulness) INTO EVERY PART OF BODY. Negative operation in our body manifests itself gradually by unlovingness in our consciousness, which then makes such program effective and efficient. The human HIMSELF step by step LIQUIDATES his natural equipment as he concentrates on his problematic parts, and so he creates a loading channel for additional insertions or injections into his body. The goal here is e.g. to induce a PERCEPTION OF PAIN (in some concrete version) so that, subsequently, a receiving human HIMSELF maintains and increases this inserted energy or impact by his own negative thinking (YES, indeed, I am sick, it pains, really pains, and it pains much, very much ... "INDEED, IT'S TRUE", "IT'S SUPPOSED TO BE THIS WAY", complaining, etc.)

- I see a double-sheet with number of pictures, it begins with first two – head of a little dragon, and then others which show impacted person; on the sixth picture and on the following ones there is a man with small horns (diagrammatized) – **EAR – developmental stage of some other kind of your well-meaning chaps – it is a matter of gradual installing of unkindness; there will be created few kinds of native creatures called EAR (small horn).** Hence, the impact shows the advancement of injected negative energy (the head of small dragon) into the targeted person (Gott); follows the target state, which may last shortly, long time, or can be consequently embittered through following impact of the targeted person (who could be dominated in such a way, that interconnects oneself more thoroughly with the control programs as a new and another spider's web, gets caught in it, then appears another web, etc.). **The last head** is supposed to mark the final stage of creating some breed (plan). It is being enacted in bodies of other animals, intended to be deformed for pseudoscientific purposes. The impact of such impact results in mortality of approximately 60 percent experimentees. There it is modelled – tested. The farreaching major changes in thinking frequently cause more considerable harm – hellish trouble – than current boot procedures. Here you thus can see, how many of other negative beings and processes (together with the victims) reach a stage of negative modelling (preparation) and the very holding terrestrials in power !!!

- The picture book produces general impression of "a booklet about foul fairy tale".

- A yellow flat board (simulant of a gramophone disk), on the margin there is a small cutout in shape of sharp prick (bitten into), it rotates all around, and when the cutout gets to certain point, pain is inflicted on a man (for instance, on his shoulder ...), who himself then feeds that, since he is aware of it.

- Thus could be even launched a period, when a man at times bursts out crying.

- The goal is to create gradually other and other blocks according to the plan of blocks, which is created for every individual for many lives in advance

- Blocks are created in a similar as people make buildings – first, you have to lay the foundations, then build the walls etc. This means that impacts cannot be inserted arbitrarily, but in conformance with specific **plan or scheme**. Loving and pure man (a blockless one) is immune from impacts

- **today's medical records** are usually falsified in the report (report is filled with old – worse records) so that results stated in the report are more convincing for superior bosses or chiefs (directing entities) and more discernible from anew developed practices (which are in preparing). This way, in this specific case, guards – shadows – try to "improve" rather bad results of their pseudo-work in eyes of those who watch them and control them. Nevertheless, these supervisors usually carry out a deep check ... and then it turns out badly for guards as well as for controlled human since he experiences much more intensively operation of those directing entities (states of depression, etc.). In that case, the best protection for a human is the **Prime Creator of all and everything** himself/herself and, regarding the Cosmic people, **Ashtar** and **Ptaah** are present in pure protective love in place of other Cosmic friends. It always up to the specific Earth man how he behaves !

- our new friendships, important life tests, fatefulness, selected life events where he couldn't assume a positive attitude, several months lasting problematic connections (*with negative entities*)

- Earth man is **inserted/injected controlling thoughts and projected controlling pictures, and the control system immediately precisely detects EFFICIENCY of control** (in percents) – **the control program was successful, less successful, average, below-average, inefficient**. In case of inefficiency, the control system instantly picks from the data-system another variants of control (there are lots of them in the data-system), injects them into the human and a new report is quickly passed back about results of control – **so-called feedback**.

- **THE DEGREE OF CONTROL** depends basically on these two parameters :

(1)

LONG-TERM POSITION on the spiral of the SPIRITUAL PATH (to this corresponds also the number of burdened genes, which can be used by the other side (the negative state's side)) – starting from the initial point, the 95 % control **DECREASES** down to average 10 %, ranging from 5 % (informatics who have better knowledge of the process and structure of control) up to 15 % (others) on the last revolution of the Spiritual Path. Beware of people who themselves proclaim (without your inquiry) that they are at the end of the Spiritual Path – this is one of the control programs. Those who really are in the last revolution (33 000 adults from 6.5 billion people) will certainly be hidden in crowd and will not talk about this to masses of people (perhaps, except an intimate conversation between two people). Virtually all walking the Spiritual Path are in the position from the 1st up to the 5th revolution (number of people rapidly decreases) – see picture 692 at www.cosmic-people.com , www.angels-light.org .

(2)

IMMEDIATE SPIRITUAL STATE – it fluctuates according to the momentary state of managing spiritual tests. For example, provided that you have an intense loving relationship with a partner of the opposite sex and you mutually share **intense internal energy of love and good**, one of the **best solutions** is to **imagine this maximum sharing – making love with your beloved partner. You can do this ANYTIME you need, in any spiritual test, in any situation, work or activity !** (not only in e.g. meditation.). If you master this, you will radiate so much of this kind of love – a internal fine-vibratory energy **and all control programs will one after another report “INEFFICIENT”, “INEFFICIENT”, “INEFFICIENT” ...** *(I know this for a longer time from my own experience – processor's comment).*

EMERGENCY GROUP members convene even hourly to consult about the most loving people (in the position from the 5th revolution up of the **Spiritual Path**). On **BLACKBOARD** is by chalk written a **schedule of particular duties of guards or shadows – the OPERATIVE PATROLS**. The emergency group elaborates particular theoretic situations – it models scenes so that the Earth man in question would get into as many as possible **TROUBLES AND NEGATIVE SITUATIONS**, e.g. **DISCREDITATION IN FRONT OF LARGER GROUP OF PEOPLE**. As for health state, they model **DETERIORATION OF HEALTH CONDITION**, e.g. **TRAFFIC ACCIDENTS** – fractures etc., or other **TROUBLES** related to e.g. family, job and such (gossips, embarrassing situations, unpleasant experiences ...). Members of the emergency group wear grey-green uniforms with red curling on collars.

There are plans to create **FEW NEW RACES or BREEDS**, which the Forces of darkness want to let pseudo-develop for **BILLIONS of YEARS – LOTS OF LIFESPANS**. That takes place also in **OTHER PARTS OF THE UNIVERSE** (not only on one planet) – in the zone of displacement. Number of experiments grows, and we monitor all that in a joint effort (we, Cosmic people of the Forces of Light). **THE SIMILAR HAVE BEEN TAKING PLACE ALSO WITH YOU, HUMANS FOR BILLIONS OF YEARS** (not only on this planet).

One must realize that this is a fair amount of information of negative nature, so more information on this is not necessary.

They (the controlling entities) pretty much work also with texts from our **EXTERNAL SYSTEM OF LIGHT** www.angels-heaven.org , www.angels-light.org , www.universe-people.com , www.cosmic-people.com , www.ashtar-sheran.org . We have seen exactly the same color texts – messages beginning with words "Dear Ivo, ...". Some of paragraphs were followed by **single-colored (red) comments** about their significance, dangerousness, etc. But the negative entities **DO NOT understand all the texts** and they have troubles with them. This **external system of Light** poses for the Forces of darkness **the greatest danger**, since it exposes and discloses the entire control pseudo-system in the best, the most truthful, clear and up-to-date manner and way, and, in addition and in particular, because it presents the information about the most effective and efficient way of liberation from the trap of the negative state, and **by means of it, people liberate themselves IN THE MOST EFFECTIVE MANNER.**

The overall purpose of the negative entities' endeavor is to **DECREASE HUMAN'S VIBRATIONS AND TO CREATE NEW BLOCKS IN HIS BODIES AND CHAKRAS AND IN THE MAIN CHANNEL, AND, CONSEQUENTLY, TO DRAG HUMAN BACK DOWN ALONG THE SPIRAL OF THE SPIRITUAL PATH A MAKE OF HIM AN EASILY CONTROLLABLE PUPPET. THE NUMBER OF BURDENED (LADEN) GENES AND BLOCKS GROWS GRADUALLY IN MAJORITY OF HUMANS, AND PREPARATIONS FOR INTRODUCTION OF CHIP TOTALITY TAKE PLACE. THE INTENTIONS HERE ARE TO INCREASE THE CONTROLLABILITY OF HUMANS UP TO 99.99 % AND, IN THIS STATE AND CONDITION OF CONTROL, TO CARRY OUT OTHER AND OTHER LEVELS OF EVILS AND FALSITIES IN ACCORDANCE TO INTENTIONS OF THE PSEUDO-CREATORS.**

(2)

THE ANALYST – PROGRAMMER – PROGRAMS OR IMPLEMENTS instructions supplied from **THE INFORMATIC – ANALYST** and passes results on to **THE INSTALLING (LOADING, INJECTING) ENTITY.**

(3)

THE INSTALLING ENTITY – A WORKER FOR REMOTE DATA TRANSFER – INSTALLS (LOADS, INJECTS) AND TRANSFERS REMOTELY into the negative auxiliary channel of human **THE CONTROL PROGRAMS** for a specific **PSEUDO-LIFE**. Antennas are placed on the Moon (a-ka artificially dragged satellite by the Forces of darkness) in the outpost bases with plenty of underground areas masked under "a natural deserted surface 4.5 billion years old". Waves pass even through the within of planet Earth.

COSMIC PEOPLE CAN ATTENUATE OR JAM the transmission of the control data (sort of help to human on The Spiritual path). Jamming might take place also when a controlled Earth man is **near a very loving Earth man**, and so actually is in his big **light shield, a cover** which renders penetration of controlling energies impossible. All these jammings, however, are **temporary. The permanent prevention from the control can be achieved by making it to the last – the 7th revolution of the Spiritual Path (decapsulated Spirit and soul, there is a full contact among them and a physical body, and the Earth man has a widespread light shield around him with a high vibration of love) and then by ESCAPING from the zone of displacement (in general).** In a similar, but opposite way, is used **an auxiliary channel – transferrer** – which is a much more negative person through

which a coarse-vibratory energy is poured on a controlled Earth man (e.g., President's security, some member of a music band transmitting coarse-vibratory energies on singer, etc. – there are lots of such situations in common life). It can be said that, in general, the greater is a place of residence – the city (it depends on population, the worst in Czech republic is Prague, especially the center of the city where everything gets multiplied), the more coarse-vibratory energies are in such a city, and, in such an environment, Earth men are much better controllable compared to smaller towns and villages. **The worst environment for the remote control is nature !**

Every day in the morning, the program is started with command “**ATKAVISE**” – **START, WE BEGIN**. The program starts immediately as soon as the Earth man wakes up. He is seen in the dimensional window of negative entities' office (see e.g. movie *Monsters a.s. – processor's comment*). Square letters run quickly on the screen in ca. 7 vertical columns (like a tabulating card or film), the middle one (of the controlled Earth man) is wider; mostly squares, rectangles, triangles, ellipses, in which are inserted other symbols, and there are also different signs (for instance two vertical shorter lines with small curves above them). The columns are green-grey and the letters in them are similar and of the same size. There are also letters – characters – which are not comprised in our alphabet: for example, a letter similar to small 'h', but its upper part is not straight but variously corrugated. These letters come from the pseudo-creators. The installing entity wears blue dress (like a train dispatcher) – navy-blue trousers, light-blue shirt and dark blue tie. We have seen even characters of programs running spatially from above downward, and also around the Earth man, likewise as on a cylindrical surface. These are motionless (including the screens) in case that the Earth man is sleeping, but when he wakes up, they are put into motion immediately – we have distinctly seen that several times.

For **OPERATIVE INTERVENTIONS** serves **THE CENTRAL CONTROL SYSTEM – THE DATASYSTEM**. The command for running any program is “**TEKAVA**”. **THE SEARCHING – READING PROGRAM**, which reacts on specific energetic connections, controls **THE SELF-TRIGGERING PROGRAM LOOPS**.

I'm constantly being connected to the datasystem which is controlled from outside. Negative manifestations of energetic field are injected into our mental body so as to manipulate and influence our negative consciousness at the time just prior to falling asleep when our mental body is still active. Here it is advised to turn to (to pray to) the **Prime Creator of all and everything** and ask Him/Her for help, and He/She will help.

Everyone of 6.5 billion Earth men (as of 2003) has totally minimum of 9 shadows – guards, that is 3 of them for the **Spirit**, 3 of them for the **soul** and 3 of them for the **physical body**. They are kept an eye on by **THE DIRECTIVE ENTITIES** (they monitor motion of the most loving Earth men, in particular of those who have special mission, but these are also taken care by Cosmic people) and the entire pseudo-control-system is under command of the **PSEUDO-CREATORS** with permission of the **PRIME CREATOR OF ALL AND EVERYTHING** for the sake of providing an **ANSWER WHAT NOT TO CHOOSE**.

This control of humankind on planet Earth has been taking place since **the time of fabrication** of cave man by pseudo-creators, i.e., it's been taking place for **7 million years**.

At a time AFTER the last fall of the Atlantean civilization on planet Earth 11200 years ago, fugitive Atlanteans built some settlements, for example in the middle America – in Mexico, Guatemala, Belize, where you can see mostly pyramidal buildings with rectangular antenna

at the top – and very often 2 pyramids with antennas against each other. With these constructs, remaining Atlanteans tried to control by help of energies some processes – the weather, fertilization of near-by lands, but more importantly, they tried to jam the control waves – the energies of the Forces of darkness; this endeavor itself indicates their not much good position and state. One of these functions were also built in devices that Atlanteans carried on their chests. It is illustrated on statues – columns in Tule (see pictures 79, 84).

I would like to remind you, dear reader, to not often think of these information, since by doing so you are getting connected to your controllers !!! Anything should be worked on with PURE LOVE, otherwise one can easily succumb to the negative state (mostly without consciously knowing that).

It is needed to realize that you are being given a high amount of negative information, so more information on this topic is not necessary here in our system www.angels-heaven.org .

Cosmic people of the Forces of Light PROTECT themselves from the contamination by the negative energies in such a way that ALL such energies are FIRST ANALYZED AND EVALUATED BY ANDROIDS AND COMPUTERS AND COSMIC PEOPLE ARE PROVIDED WITH ALREADY COMPLETE RESULTS OF THESE PROCESSES. In addition, **THEY WORK ONLY 3 HOURS A DAY (ON SHIPS), AND THEY HAVE MOST OF TIME FOR THEIR PERSONAL SPIRITUAL LIFE, INCL. MEDITATIONS AND OTHER PRACTICES OF CLEANSING FROM THE NEGATIVE ENERGIES.**

Planet Earth is a **crossroad** of **souls**; souls come from somewhere and go on to other worlds depending on their choices in the course of very short earthly life (ca. 70 years) full of ample opportunities, choices, appeals and challenges. The **DEVELOPMENT OF POPULATION** on planet Earth follows:

year	number of born people
1000 :	200 million (200 000 000)
1650 :	500 million (500 000 000)
1830 :	1 billion (1 000 000 000)
1930 :	2 billion (2 000 000 000)
1950 :	2.5 billion (2 500 000 000)
1970 :	4 billion (4 000 000 000)
1985 :	5 billion (5 000 000 000)
2000 :	6.4 billion (6 400 000 000)

This great population growth is conditioned also by **incarnations of souls from the positive state** (True worlds) with a **positive mission** in the 2 waves: **Preparators** – ca. prior to 1945 (end of the 2nd world war), and **the main wave** – ca. after 1945 (today it's **900 million souls** of that origin, but not all of them need to be positive !). The consequential **reaction of the pseudo-creators** was and is that they have been sending here **5 times more souls from the Dark worlds or original humans with a negative mission** (refer to books of **THE NEW REVELATION** at www.angels-heaven.org). Except for original humans (these have the pseudo-spirit and the pseudo-soul from the pseudo-creators), **all other souls can be born here only ONCE ! They can have memories of experiences from maximum 11 lives here on planet Earth, but these are EXPERIENCES PASSED ON TO THEM (ON THEIR LIFE TAPE) FROM THEIR MDBs (multi-dimensional beings).** To the physical twelve-dimensional multi-universe correspond twelve MDBs, which means there can

be maximum of 11 passed life tapes with experiences (see **Fundamentals of Human Spirituality** at www.cosmic-people.com).

This testimony is passed on to us on the basis of information obtained during sleep and written down after wake-up and, moreover, information obtained by ordinary internal communication with Cosmic Friends – MDBs. Our multi-dimensional beings accompany us even in our dreams in these controlling structures of the negative state, and give us appropriate explanations, all that with great love and joy. In this case, information above was partly given also by D.; we could see her dressed in chartreuse frock with friend at a swimming pool, palm trees and flowers – in beautiful colors. Among other things, she is engaged in scientific research of the Earth's gravitational field.

*Earthly organizations which use similar control practices as stated above are e.g. intelligence organizations (CIA, FBI, KGB and lots of others), media – manipulation with consciousness of masses of people; they learn how to do this on **universities**, particularly in the U.S.A. on leading universities (California, ...) – **pilot projects**, which are later propagated to **other universities** – in Czech republic it is mainly Charles University (Faculty of journalism, HTF, Medical Faculty, ...) and other schools. All this is financed by taxes – energies of controlled masses of people. In this manner, selected Earth men (they selected themselves) learn the same practices which above-mentioned negative entities from the Dark worlds (the hells) use for controlling. If they have “good” results, they get “rewarded” by Dark entities and “promoted to a higher position” (in reality, they fall lower to deeper hells) with greater opportunities for cunning controlling and stealing energies of other unfortunate souls.*

*As for **PERVERSION of spiritual values** – here we mean perversion of thinking, feeling and behavior. This is elaborated in detail in our external system of Light www.angels-light.org – here particularly in book “THE SERMON ON THE MOUNT” and in books of “THE NEW REVELATION” and, of course, in books of the “TALKS WITH TEACHINGS FROM MY COSMIC FRIENDS”.*

***After placing scheme 811 – control of physical body** – on www.cosmic-people.com on June 20, 2003, a war was started – mad and furious Forces of darkness attacked fleets of the Forces of Light a battles have been taking place – because of **placing the scheme on the website** as well as because of **support by the Forces of Light of those who do this work here on Earth (reception and dissemination of information)**. However, this is only an illustrating pyramid-top of all states and processes that take place in **much greater extent IN THE WITHIN – in THE INTERNAL WORLDS**. Every individual is assigned some minimum numbers of beings of Forces of Light and Forces of darkness who strive to supply energies to the individual in their specific way. However, in fact, number of these beings is much greater than the assigned minimum. And when a light information of a **new kind or quality** is penetrated here on Earth by the Forces of Light, the Forces of darkness react with anger and fury and manifest themselves in their specific way since they have difficulties facing up to and accepting the given change of evils and falsities to goodness and truths. Under every human, at the pyramid-top, you can imagine branches (much like roots of a tree under ground) which illustrate amount of other beings from both parties (the Forces of Light, the Forces of darkness) who, by means of their energies – information, participate in our “life”. Please understand, today (June 22, 2003), a number of other workers of Light here on Earth sends scheme 811 further to other people ... in simple words, it seethes and bubbles here again ...*

Truthful representation of mankind on the planet Earth heading at their free will toward a trap of the negative state - the dark worlds, and even celebrating, besotted by control programs and pseudo-successes, not being aware of their negative acts and resulting consequences (e.g. building of chip totality today). The snake represents the Dark forces - negative entities both on Earth and in the space, who try to captivate the mankind. Size of snake's head matches the scale of control programs and negative energies massively accepted by people in such a degree and quantity, that people don't even realize it and DON'T SEE this negative state's TRAP laid for them. Krishna, a blue boy, the being of Light, won't let himself get seduced by the Dark forces nor negative people, thus showing through his positive acts and thinking THE RIGHT WAY back to Primary Creator of everything and everybody.

LEVELS OF CONTROL PROGRAMS (LCP)

Introduction by Ivo A. Benda:

Since 1991, reading the literature about extraterrestrials, I have gradually, little by little, learned about massive control of humankind on planet Earth (much like in **puppet-world**) by the Forces of darkness from other worlds – the Dark worlds. This was one of the **essential reasons** that since 1997, I have started to fully work AGAINST them. Till that time, I had been working with information systems (regular employment), so the information about mankind control was easily understandable and perceivable by me. Therefore, I have knowledge of many things, and so I would like to present them here together with **Cosmic Friends** for those of you who are interested in. The information in the following texts thus serve properly complete all our existing sources at www.angels-heaven.org , www.cosmic-people.com . I'm reminding reader that you won't stop being controlled JUST by reading these information, but only by **actualization and realization of HUMAN SPIRITUAL PATH**, which is **WORK OF LIGHT FOR YOUR FELLOWS UNDER GUIDANCE OF THE PRIME CREATOR OF ALL AND EVERYTHING AND COSMIC PEOPLE OF THE FORCES OF LIGHT FROM THE TRUE CREATION**. Any OTHER activities are just futile ENDEAVORS, which you can actualize even for billions of years, if you wish !!! It is hard to expose and disclose the controlling, however, like a litmus paper serve for example 7000 pages of texts and 5000 pictures at our www.cosmic-people.com , which surely and securely **INTERFERE WITH AND DISRUPT** control practices of negative entities, who **MUST then, although very unwillingly, deal with our information of light for the sake of production of another corresponding new functional control programs** (including thousands of accurate records and archives), and so they are also **flooded** with these information – vibrations of truth, love and wisdom. **This interferes with and disrupts their control system, too, and helps them to liberate, since they are also part of this large control pyramid**. I'm considering this message 1925 to be a **small cherry on a cake of information of Light**, so that no misconception arises in any reader about the proper understanding of mankind control on the planet Earth.

Now it would be appropriate to recall the message 1645 – How to find Truth?

THE TRUTH

**“IF YOU WANT TO KNOW THE TRUTH,
THEN EVERYTHING THAT WAS AND IS IMPOSED ON YOU
IN SCHOOL, IN WORK, IN MEDIA AND ELSEWHERE,
IS EXACTLY UPSIDE DOWN.
IT IS THAT EASY TO FIND THE TRUTH.**

THE TRUTH IS SIMPLE.
COMPLEX AND COMPLICATED ARE CONTROL PROGRAMS,
BY WHICH THE OTHER SIDE KEEPS YOU
IN DEEP IGNORANCE AND SLAVERY.”

“THE HISTORY OF THE CONTROL PROGRAMS (HCP) of the negative entities of the Dark worlds is billions of years long in the era of dominion of the negative state in a part of the zone of displacement – in ca. 100 000 Dark puppet-worlds, where these negative entities keep hundreds of billions of other ignorant entities (PUPPETS) in various degrees of massive (though never 100 %) control. One can perceive them as SPIDER WEBS – NETS constantly maintained by SPIDERS – THE PSEUDO-CREATORS – activators of the negative state. In addition, controlled entities produce FEAR, which is a coarse-vibratory energy, and which controllers feed on. Refer to books of THE NEW REVELATION from THE LORD JESUS CHRIST for more information about history of the negative state. The ultimate goal of every control program is to RETURN and KEEP a controlled entity on accurately, for this purpose defined level of ignorance, in specified degree of control and degree of negativity. Simultaneously, the ultimate goal thus is to DISALLOW THE CONTROLLED ENTITY TO LIBERATE HIMSELF/HERSELF AND, BY MEANS OF POSITIVE AND LOVING LIFE AND CORRESPONDING POSITIVE CHOICES, TO RETURN BACK TO THE TRUE CREATION – HEAVEN – THE TRUE HOME, TO THE PRIME CREATOR OF ALL AND EVERYTHING.

In order for every control program to work well, it is necessary to absolutely or as much as it gets CONCEAL this fact – this entire process of controlling. Therefore, advanced controllers don't like showing up, simply because the control works best over controlled entities being absolutely ignorant in respect of this process. As a result, controlled entities have no conception or image whatsoever of the REALITY, i.e., WHAT is happening with THEM and WHAT is happening BEHIND THE CURTAIN – behind the controlled scene. No control program ever contained or will contain principles based on love, truth, wisdom, good and peace. For the negative principle itself, they don't nor ever will contain truth about the control and about the way of liberation from the trap of the negative state and returning Home – to the true Creation. This is illustrated in our works of art (shows) in the first place in form of black or other mask on face of controlling entity.

Today, being familiar with wide-spread computer technologies and technologies of wireless communication (mobile or cell phones), everyone can realize and imagine that the Forces of darkness, having history of millions of years and having vast knowledge **originally** from the **Prime Creator of all and everything**, have orders of magnitude higher technological and dimensional superiority, since the control is **best exerted and practiced from internal parts of the zone of displacement !**

The history of human control on the planet Earth is long, too – **7 million years**. The process of controlling Earth men consists of **construction and utilization of control programs specifically suited for various degrees of HUMAN SPIRITUAL PATH** – messages 819 – 847 and schema – pic. 688 – **The Spiral of growth of human beings on their Spiritual path back to the Prime Creator of all and everything.** Fundamental mechanisms of

human body control are listed in schema of pic. 811 and in message 1761. Controlling of the Spirit and soul by means of their ENCAPSULATION is illustrated on schema of pic. 793, all available to download at www.angels-heaven.org , www.angels-light.org , www.cosmic-people.com , www.universe-people.com , www.ashtar-sheran.org .

From the above statements, it is obvious that **there are trillions of control programs in existence**. Therefore, we will limit ourselves only to the **basic levels of control** according to the **levels of Human Spiritual Path**, so that we can by means of **sensing recognize, detect and reveal them in our practical life**.

Depending on whether control programs are **AUTONOMOUS** or **INDIVIDUAL**, they are divided into **2 basic levels**:

(1)

THE DATASYSTEM (DS)

80 % of human activities, few years in advance

In these levels of control, the biggest role is played by **the autonomous control** by means of **THE DATASYSTEM – a massive machine – pseudo-information system**, which is directed and controlled by computers with large **databases** and programmed by negative entities. This system participates in basic control mechanism **everywhere** and **in every situation**. It is **billions of years old** which is **approximately as long as the Forces of darkness** headed by the **pseudo-creators** and their controlled **Kingdom of darkness** exist. From this only statement, it is quite obvious that this system is **ENORMOUSLY ELABORATE, SOPHISTICATED, COMPLICATED** (the attribute of the negative state) and **HUGE**, and is applied in hundreds of thousands of the dark worlds. On planet Earth, it is used at **80 % of all people's activities** and is being designed and programmed by the **pseudo-creators, saurians** and other negative entities **SEVERAL YEARS** in advance (ca. 10 years).

Because **THE FORCES OF LIGHT** have **UNLIMITED INFORMATION ACCESS** to all **Dark worlds** (they give help and keep barriers and limits for evils and falsities in them, see e.g. books **Heaven and Hell** by Emanuel Swedenborg, and **The New Revelation Of The Lord Jesus Christ** by Peter D. F. – both at www.angels-heaven.org), **THEY KNOW IN ADVANCE (TO THE EXTENT AS STATE ABOVE – 80 %)** **THE PLANS OF THE FORCES OF DARKNESS FOR CONTROLLING PEOPLE ON PLANET EARTH, AND ON THE BASIS OF THIS, IN COOPERATION WITH THE PRIME CREATOR OF ALL AND EVERYTHING, THEY PROVIDE HELP TO EARTH MEN AND MAKE CORRECTIONS IN OPERATION OF ANY ENERGIES OF THE FORCES OF DARKNESS WHILE STILL ABIDING THE SPIRITUAL LAWS OF NON-INTERVENTION AND NON-INTERFERENCE**. In addition, they can normally travel in time and so verify in a concrete reality the real state of the process, and so everything **IS PERFECTLY UNDER CONTROL IN TERMS OF PEOPLE'S CHOICES** (the Forces of Light do not interfere with people's choices, but they give quiet advices by means of intuitive impulses). Moreover, with the aid of these information, the agents of the positive state (incarnated from the True worlds with a positive mission) trained prior to incarnation in **VIRTUAL REALITY** their life so as to fulfill their mission of Light and love in the best way !!! The duration of this training is from several

years up to 400 years counted in our time. (see book **The New Revelation of The Lord Jesus Christ** by Peter D. F.)

(2)

THE INDIVIDUAL CONTROL (IC)

10 % of activities, a few days, weeks and months in advance

A special role in the control system is played by **THE INDIVIDUAL CONTROL**, which is described also in the **scheme of pic. 811** and in **message 1761 (human body control)** and also in **scheme of pic. 793** (controlling of the Spirit and soul by means of their **ENCAPSULATION**). Typical for this control is its **REACTION PERIOD** – earthly time needed to prepare respective control program (CP) of a controlled scene. Simple CP can be created in **one day**, more complex CPs in ca. **three days**, depending on degree of complexity and number of elements engaged in the controlled scene. **The more days, months, years the Forces of darkness have at their disposal, the more elaborate the CP is.** Nowadays, circa 10 % of human activities is managed by the individual control which is prepared **SEVERAL DAYS, WEEKS or MONTHS** in advance. The IC is, in fact, formed by corrections in the datasystem caused by either some people who liberate themselves by means of the **SPIRITUAL PATH**, or some unexpected situations (in fact, first steps are always taken by the Creator and the Forces of Light, whereas the Forces of darkness react on these steps).

Hence, an important part of protection (in addition to lovingness) from this form of control is **NON-PLANNING**, or a **MINIMAL, UNAVOIDABLE PLANNING – THE LESS, THE BETTER, BEST NO PLANNING WHATSOEVER** if possible, which is part of **POSITIVE AND ALWAYS NEW STEPS, APPROACHES AND ATTITUDES.**

An average degree of Earth man control is listed in the **diagram of pic. 688** and also the **table of pic. 692**. There are little deviations from the average (barely few percents). This degree can be decreased by, in addition to lovingness and other things as stated above, knowledge and understanding of control and ability to think analytically, which is utilized at **intuitive guidance of the Prime Creator of all and everything and Cosmic people**, in particular **your multi-dimensional beings.**

Looking at the **Spiral of growth of human beings on their Spiritual path** (pic. 688), we can see that **the pseudo-creators, in order to maintain their PUPPET-KINGDOM OF DARKNESS** (notice, however, that control never reaches 100 %), **must constantly develop and use such (even new) control programs that are specific for each level of this spiral and, in addition, for psycho-sociological parameters of given entity.** A considerable role here is played by the **knowledge of WEAKNESSES AND STRENGTHS** of a controlled entity. The Forces of darkness can gain this knowledge from thousands and hundreds of past lives (which are available to them) as well as perspective of future lives. **Levels of control programs can generally be divided into three main parts or groups according to the position on the Spiritual path:**

(1)

The initial point of the Spiritual path:

THE MATERIAL – MATTER-ORIENTED CONTROL PROGRAMS (MCP)

For position of initial point of the Spiritual path is used the **MATERIAL or MATTER-ORIENTED CONTROL PROGRAM**, which is today massively actualized and realized by **GOVERNMENTS, MEDIA, EDUCATIONAL SYSTEM, SCIENCE, SPORT** (politics, money, career, advertisements, economy ... with regard to science, an example: In Czech republic, Mr. Grygar successfully programmed millions of people that the Universe is empty, mechanic, dead and without advanced civilizations (“otherwise, they would get in touch”) in the “Windows of space wide open” TV series during socialism, and even now he goes on using the method of “waiting for saurians of darkness to touch and measure them”) **and other associated organizations. This (MCP) group contains the greatest scale of control programs, which you can see everywhere around you. The base of the material – matter-oriented control program is MONEY or MONETARY SYSTEM** (see below – **THE MONETARY CONTROL PROGRAM**) which is used by the datasystem to simply control every individual so that he/she **VIOLATES** The Universal laws of Love. **THE MONETARY SYSTEM** is to be preserved even in the era of the **CHIP TOTALITY**, more specifically **INSIDE** the computer system on planet Earth (physical money as the means of payment will be removed). The integral part of this control system is that “I believe in matter as something I can touch and measure”. But, in fact, it’s just a fiction since these people also believe in something they can’t touch (radio waves, TV waves, cell phone waves etc.). “I believe in money; money provide for me, dress me, support me; money show others who I am”.

These control programs are virtually 100 % (there are exceptions) handled by the **DATASYSTEM** (a machine). 52 % of planet Earth’s population is controlled in this way – this is over 3 billions of people controlled at 95 %.

(2)

The 1st revolution of the Spiritual path:

THE CHURCHLY CONTROL PROGRAMS (CCP)

For position in the 1st revolution of the Spiritual Path are typical **CHURCHLY CONTROL PROGRAMS**, which have well-known form of **thousands of religions and their numerous sects and fractions**, including **religionistics** (the science about religions). A key controlling element introduced artificially mainly in **The Catholic Church** (1 billion of members in the world) is **JESUS CHRIST ON THE CROSS**, which is a default logo, label but also a radiator of coarse-vibratory energies linking or connecting to any one who suffered on the cross in the Middle Ages. These energies have been for two thousand years constantly radiated and emanated from billions of statuettes and pictures into bodies of ignorant Earth men and thus constantly degrading and mortifying their vibrations. In fact, **Jesus Christ was never crucified**, he didn’t crucify anybody else either, but he preached **message of goodness and love – WHAT YOU SEND OUT COMES BACK TO YOU – THE UNIVERSAL LAW**. Since the beginning of temptation by the Forces of darkness – already in childhood, Jesus had not been receiving negative energies, his **Spirit** and **soul** thus could not be encapsulated (every one takes one’s part in this process, for nothing is by itself and from itself). Another control

program is (by many churches) misinterpreted and distorted **BIBLE** (originally the God's word which should contain the greatest truths and wisdoms), **of which only 30 % is true today (but not in the literal sense – THE MEANING WAS ENCODED so that the pseudo-creators could not misuse this information)**. One can uncover and learn the true content according to the degree of one's spiritual growth – the degree of internal communication with The Lord Jesus Christ. Every sentence of that true 30 % of bible conceals **MANY TRUE MEANINGS**. Other parts of the Bible (primarily, epistles) were added by the Forces of darkness and other parts of the original Bible were **REMOVED** by them – e.g., the “three chapters” – **teachings about pre-existence and pilgrimage of souls and teachings about incarnation** (these parts were removed at the Fifth Ecumenical Council in Constantinople (today's Istanbul) during 8 sessions between January 8th and June 2nd, 553. This removal was forced by East Roman Caesar Justinian). As a result, **the important teaching about pre-existence and pilgrimage of souls and teaching about incarnation was permanently REPLACED by the catholic church with teaching about ONE human life after which the soul goes either to the heavens or to the hells forever and ever. This is a massive control tool of fear in the hands of the catholic church !**

Another one of commonly used, thousands of years old control programs of churches (the catholic church in particular) is the **PROGRAM OF FUNERAL after death – after ending one's incarnation**. Through various means, a great emotion of grief and mourning (coarse-vibratory energies) is created and then intensively directed to the leaving soul (people link to that soul in thought or by simple visualization of him/her and send him/her these awful coarse-vibratory energies). As the reader may already know e.g. from book **HEAVEN AND HELL** (by Emanuel Swedenborg) or from book **THE NEW REVELATION OF THE LORD JESUS CHRIST** (by Peter Daniel Francuch) – which are also available at www.angels-heaven.org , www.cosmic-people.com), when dying and leaving the **physical body**, the soul is **ALWAYS** first contacted by **Angels of Light**, who are helping her in this process and are chatting with her – it is sort of test in which the soul herself chooses whether or not she wants to chat with them (whether she understands them or not), and if not, the Angels of Light – members of Ashtar's Grand Cosmic Squadron – the guides of souls of astral bodies leave her, and the others are coming – the dark beings, who again chat with that soul and lead her to the corresponding level of the dark worlds. Here the reader can see that “thanks to” to the **PROGRAM OF FUNERAL, thanks to the negative energies sent out from many people at the same time, the soul is negatively INFLUENCED and ATTRACTED TO THE DARK WORLDS of the zone of displacement !!!** At www.angels-heaven.org, you can find the **OPPOSITE – THE POSITIVE FUNERAL NOTICE**, which informs that given soul has fulfilled her light mission of love and good and she is returning **HOME** – to the **TRUE CREATION**, to **HER SPIRITUAL FAMILY**. The text influences readers and these send to soul the corresponding fine-vibratory energies of love ! Prior to death, one can let given person listen to very positive music (e.g., nice positive songs about Jesus) and read texts, e.g. **THE NEW REVELATION OF THE LORD JESUS CHRIST**.

There is a number of similar negative programs in churches.

THE DATASYSTEM (DS) is used at 88 %, the individual control (IC) is used at 12 %. 40 % of planet Earth's population is controlled in this way – this is over 3 billions of people controlled at 90 - 95 %.

(3)

The 2nd – 7th revolution of the Spiritual path:

THE ESOTERIC CONTROL PROGRAMS (ECP)

For position from 2nd up to 7th revolution of the **Spiritual Path** are, in addition to above described CPs, typical **ESOTERIC CONTROL PROGRAMS**. You can see and perceive these CPs in fields of **STONES, NUMERO, ASTRO, REIKI, CARDS, PROPHECY, FATE or DESTINY, HEALING** (a great spectrum of activities), **MEDITATION, CHANNELING, SELF-KNOWING, ATLANTIS, SPIRITUAL TRENDS AND PHILOSOPHIES** (again, thousands of trends and philosophies; Czech magazines Regenerace, Regena, Medium, Medunka, Phoenix and corresponding thousands of exhibitions (Ezotera – love your life – but **what** life – the negative or the positive one ???) and prints, or today rather web sites on the Internet – interested persons will certainly not be healed by means of these energies, but he becomes even more ill (sometimes **externally** temporarily “cured”, but **the game of time will show the truth later on !** This is particularly evident at the Regenerace magazine, the editor-in-chief of which – Mrs. Manolevska, after years of her “medicine work” and “help to fellows”, is now ill and passes through lot of surgeries), **RELIGIONISTICS, MYSTERIES, U.F.O., EXTRATERRESTRIALS, PARAPSYCHOLOGY, PARANORMAL PHENOMENONS** etc. In our text **The Spiritual Path – messages 819 – 847**, there are listed three fields which one can realize and actualize on planet Earth in the third dimension in the sense of **positive help to one's fellows: THE MEDITATION, THE HEALING and THE TELEINFORMATION FIELD**. All other fields, albeit having certain potential – some grains of truth, **DO NOT** generally **HELP** in one's spiritual growth, but instead, they **RETURN** human being back. **It is not possible to positively help fellows in other fields due to enormous degradation of consciousness and spirituality of mankind here on planet Earth in the third dimension !** In a higher dimension, it is possible to be helpful and useful in other fields, but this requires a corresponding spiritual degree and the vibrational environment and conditions which here, on planet Earth in the third dimension of the zone of displacement, are **NOT** available. Of course, even within these 3 recommended fields are most of individuals who work negatively (under control of the Forces of darkness). Only **MINORITY** of people in these fields works correctly, i.e. they do work of Light under correct and true guidance by the Forces of Light. The minimum number of correctly working people is in teleinformation field. You have to understand that the Forces of darkness, having seen for millions of years some puppets liberating themselves by means of the **SPIRITUAL PATH – the work of light, the help for one's fellows, HAVE CREATED THE CONTROL PROGRAMS SUITED FOR ALL THESE LIBERATION PHASES**.

8 % of planet Earth's population is controlled in this way – this is 520 million people controlled at 10 - 85 %. The degree of control divided according to the revolutions is as follows:

the 2nd revolution **2.2 %** of people, **80 %** control, of this DS - 77 %, IC - 23 %
the 3rd revolution **1.8 %** of people, **75 %** control, of this DS - 65 %, IC - 35 %
the 4th revolution **1.5 %** of people, **70 %** control, of this DS - 54 %, IC - 46 %
the 5th revolution **1.5 %** of people, **68 %** control, of this DS - 43 %, IC - 57 %
the 6th revolution **1.3 %** of people, **25-65 %** control, of this DS - 31 %, IC - 69 %
the 7th revolution **0.0015 %** (106 000, i.e. 33 000 adults a 73 000 children) of people, **20-10 %** control, of this DS - 20 %, IC - 80 % – decapsulated **Spirit** and **soul**.

Every control program must without any exception or exclusion contain GRAINS OF TRUTH corresponding to the given degree of knowledge on the Spiritual Path. Otherwise, it WOULD NOT BE a control program and a human being would not express any interest in it if it contained 100 % total falsities (i.e., no grain of truth). We can liken this to a SORT OF LEDGER-BAIT used by fisherman, or HOMEOPATHY and ETIKOTHERAPY in the healing field; doctors are familiar with VACCINATION against viruses – it's the same principle – a small, sometimes even negligible part of truthful characteristics corresponding to the given targeted object is used so that the object can catch on it. Hence, for every higher degree of human being's knowledge of The Spiritual laws, structure of Creation, organization of our world, another worlds, societies, relations, extraterrestrial civilizations, etc., there are control programs that are tailor-made accurately to the given degree of knowledge.

Imagine a truthful and important book about situation of humankind with texts and pictures in it, and imagine you place this book into a room. **The Forces of darkness have no potentiality and means to destroy this book due to barriers – protections given by the Prime Creator of all and everything** and realized through Cosmic people of the Forces of Light. Under such conditions, **the Forces of darkness work out thousands or even millions of other books which are modified to the extent that most of them contain actually only grains of truth – selected words and pictures and most of the book content contains, in general, utterly and entirely perverted, distorted, mutilated, polluted and deformed information.** So the human being gets flooded with this sort of vibrations of energies that serve as a connecting or linking channel, and so she is returned down along the spiral of the **Spiritual path**, provided that he/she acknowledges or admits that these distorted and deformed information are correct (he/she doesn't correctly sense with his/her heart). These control programs are really **ACCURATELY and IN DETAIL ELABORATE PROGRAMS** built on sophisticated algorithms some of which are known also by earthly informatics and computer programmers.

The spiral of degree of the control programs (analogous to the spiral of growth of human consciousness on the Spiritual path) is created by the negative entities so as to IMPEDE and RETURN human beings BACK to the initial point of the Spiritual path. Therefore, this spiral has the **OPPOSITE ORIENTATION** (left-handed, anticlockwise) – see picture 1243, in contrast to the **spiral of growth of human consciousness** (right-handed, clockwise) – see picture 688.

The Forces of darkness **RETURN** and **KEEP** a human being in the initial point in such a way that they program scenes or situations in order for that human not to **MANAGE** them. In case of success (by free choice of that Earth man), they create BLOCKS in his main channel and chakra system, disconnect DNA helixes and, as a result, the Earth man has **less and less true information from the Prime Creator of all and everything** and from **Cosmic people of Heavens**. Simultaneously, they reprogram **pure genes** – programs in **physical body** – to the **burdened (laden) genes** – programs – that can be used anytime to trigger doing evils and falsities. **In the Middle Ages, the percentage of burdened genes were increased by negative entities from 20 % up to 50 %, today (year 2004) it is 80 % of burdened genes in average in all of 6.5 billion people of planet Earth, and this percentage is constantly being increased.** In the period between 1960 and 2000, four leading U.S. universities worked on "HUMAN GENOME" project regarding the decoding of function of programs in human genes (they were doing the research from THE EXTERNALS – this proves the research was directed from the dark worlds). The results are that only 27 % of genes were decoded, and the remaining 73 % of genes „HAS NO MEANING“ – it does not contain any information or instructions (On April 15, 2004, 8:44 a.m., professor Paces announced that in the talk show of Czech Television 2). **In fact, these are those**

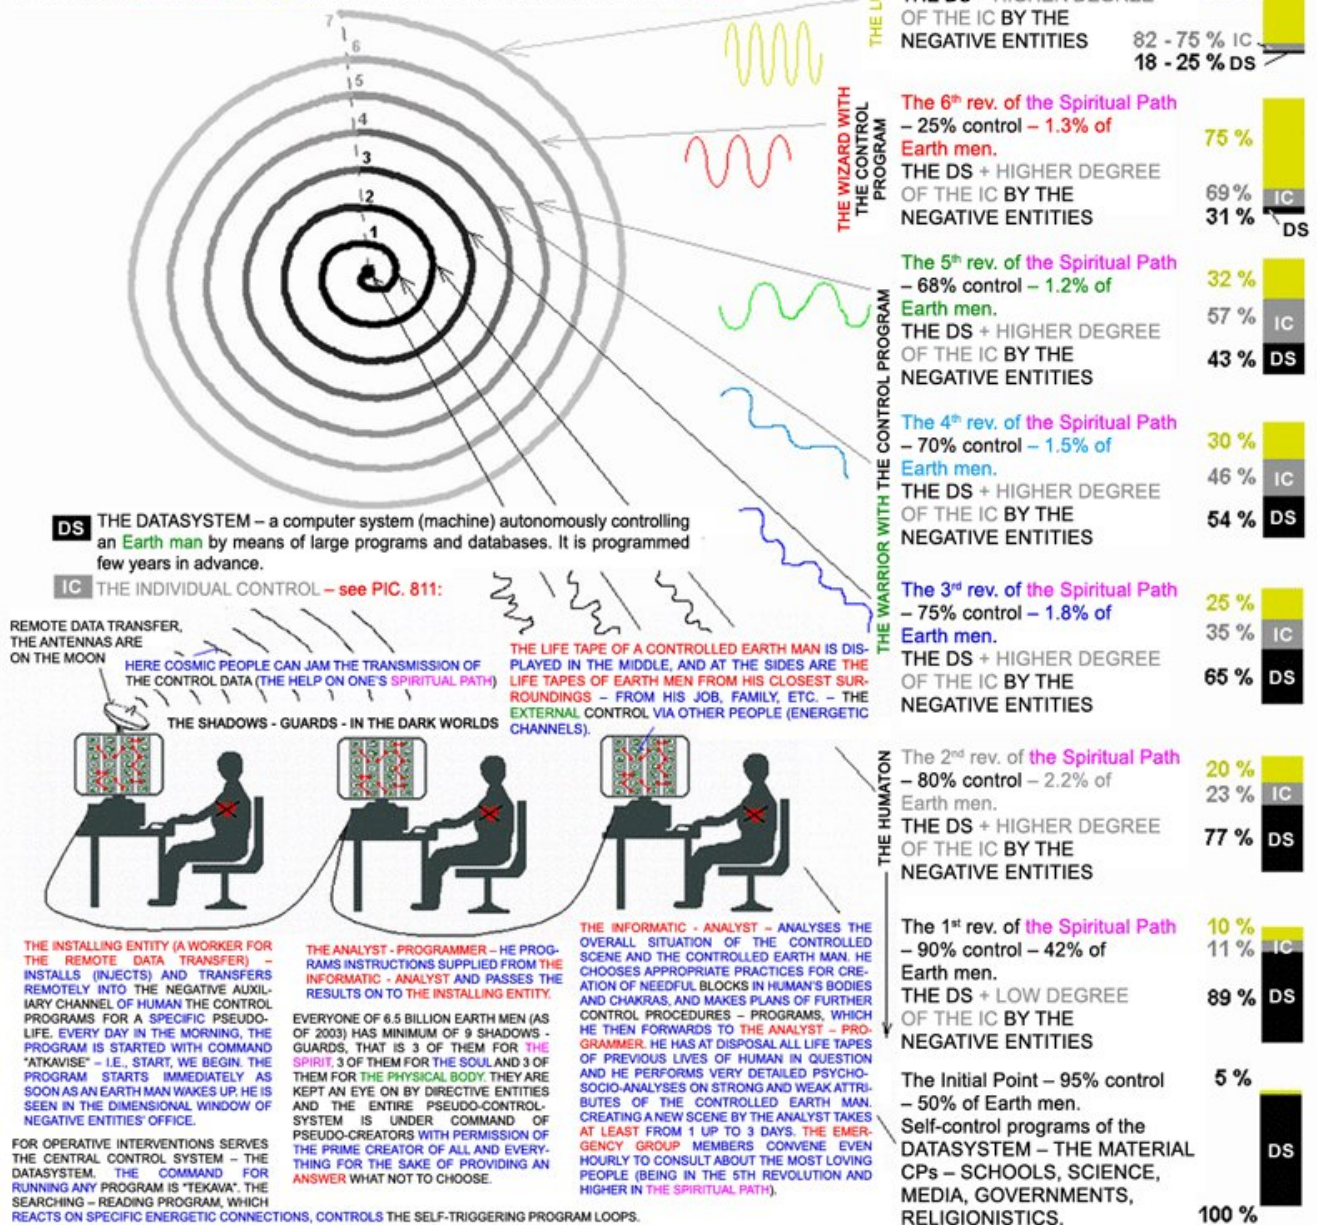

BURDENED GENES, but the researchers didn't understand that because they missed the spiritual knowledge – THE KNOWLEDGE OF LAWS OF LOVE AND GOOD (see THE NEW REVELATION OF THE LORD JESUS CHRIST). They are not aware of the fact that, among other things, the goal of mankind control is to create burdened genes much like programs – software for the purpose of other, more massive control, and for this serves the entire history of humankind on the planet Earth (genes, both pure and the burdened ones, are being inherited from generation to generation).

LEVELS OF THE CONTROL PROGRAMS

Processed by: Ivo A. Benda
June 6, 2004

For each degree of human consciousness development, the negative entities have prepared the CORRESPONDING CONTROL PROGRAMS (CPs). They also contain the specific positive ideas that an Earth man uses in his life and these ideas correspond to the degree of truth and good that the Earth man achieved.

THE SPIRAL OF LEVELS OF THE CONTROL PROGRAMS IS CREATED BY THE NEGATIVE ENTITIES SO AS TO IMPEDE AND RETURN HUMAN BEINGS TO THE INITIAL POINT OF THE SPIRITUAL PATH. THEREFORE, THIS SPIRAL HAS THE OPPOSITE ORIENTATION (LEFT-HANDED, ANTICLOCK-WISE) IN CONTRAST TO THE SPIRAL OF SPIRITUAL GROWTH OF HUMAN CONSCIOUSNESS (RIGHT-HANDED, CLOCKWISE) – SEE PIC. 688. THE FORCES OF DARKNESS RETURN AND KEEP A HUMAN BEING IN THE INITIAL POINT IN SUCH A WAY THAT THEY PROGRAM SCENES SO THAT A HUMAN WON'T MANAGE THEM. THEY CREATE BLOCKS IN HIS MAIN CHANNEL AND CHAKRAS, DISCONNECT THE DNA HELIXES AND, AS A RESULT, THE EARTH MAN HAS LESS AND LESS TRUE INFORMATION FROM THE PRIME CREATOR AND FROM COSMIC PEOPLE OF HEAVENS. SIMULTANEOUSLY, THEY REPROGRAM PURE GENES (THE PROGRAMS IN THE PHYSICAL BODY) TO THE BURDENED GENES THAT CAN BE USED ANYTIME TO TRIGGER DOING EVILS AND FALSITIES. IN THE MIDDLE AGES, THE PERCENTAGE OF BURDENED GENES WERE INCREASED BY THE NEGATIVE ENTITIES FROM 20% UP TO 50%; TODAY (YEAR 2004), PEOPLE HAVE AN AVERAGE OF 80% OF BURDENED GENES.

THE SPECIFIC ESOTERIC CONTROL PROGRAMS FOR THE 2ND – 7TH REVOLUTION are in fields of STONES, NUMERO, ASTRO, REIKI, CARDS, PROPHECY, FATE OR DESTINY, HEALING, MEDITATION, CHANNELING, SELF-KNOWING, ATLANTIS, SPIRITUAL TRENDS AND PHILOSOPHIES, RELIGIONISTICS, MYSTERIES, U.F.O., EXTRATERRESTRIALS, PARAPSYCHOLOGY, PARANORMAL PHENOMENONS ETC. THE MAIN BEARING CONTROL PROGRAM HERE IS "DIVIDE AND CONQUER" – THE ISOLATION, SEPARATION OF PEOPLE TO THE "GROUPS"; THIS PROGRAM IS APPLIED EVERYWHERE.

See messages 819 - 847 – THE SPIRITUAL PATH from book III. TALKS WITH TEACHINGS FROM MY COSMIC FRIENDS, and messages 1561, 1578, 1579, 1684-1688, 1694-1699, 1702, 1709, 1710, 1713, 1714, 1717, 1718. What control programs can we recognize in our life ?

As most of people (92 %) is 90 – 95 % controlled, these people are normally NOT ABLE to recognize and discover this and so they consider their life to be true, legitimate and natural. The most transparent manifestations of controlling are called by them “general cussedness of things”. They also use to say “it must’ve been this way, no one can change it”. Many of them even think they have “DESTINY” which they can’t change. This is, however, a big fallacy. The “destiny” actually is the control program, and they can change it anytime they want if they want !

Only some people in a higher phase of their spiritual development are by SENSING able to DISCERN between legitimate and non-legitimate events and processes in their life and only some individuals, thanks to the information from Cosmic people and/or The Lord Jesus Christ (see books of THE NEW REVELATION), are able to recognize, acknowledge and define this problem. The Prime Creator of all and everything as well as the Cosmic people of the Forces of Light constantly provide lots of helpful information for disclosure and discovery of truth about the controlling of people in form of **books, songs, dances, fairy tales and other art works**. Some examples (in addition to 7000 pages of texts and 5000 pictures available at www.angels-heaven.org) follow (for a greater overview, see **message 1752 – Recommended fairy tales and movies** at www.angels-heaven.org):

THE MATRIX movie (the first part) – shows in detail the mankind controlled by the Matrix program, because in one of future versions, humankind have destroyed the nature and living space of planet. Therefore, not only their **Spirits** and **souls**, but also their **physical bodies** were by the controllers placed into **CAPSULES** and so controllers could misuse their minds for pseudo-creation of virtual reality without any one of virtual people knowing this. I repeat, **it’s not only** about today’s state of people, but it concerns a possible future version of pseudo-society after devastation of nature).

Fairy tales or movie (in Czech) **NESMRTELNA TETA (The Immortal Aunt)**, **O VODNIKOVI (About Water Sprite)**, **O SIPKOVE RUZENCE (About Sleeping Beauty)**, **O ZTRACENE LASCE (About Lost Love)** (9-part series), **SPEJBL A HURVINEK** (and many other puppet shows, where one can clearly see the negative control, and people like it because they identify themselves with it and discover themselves in it).

SEX MISSION – Polish movie about controlling people in the underground who are lied that nature and surface of the planet is uninhabitable, radio-active etc., but in fact, it’s a deception, some controllers live in secrecy on the planet’s surface because it “suits” them.

There is a great **variety of books** which indicate and partly expose control of people (however, mostly without mentioning who controls and how the control takes place – see pic. 811, message 1761). Couple of examples:

COMMUNION WITH GOD (book by Neale Donald Walsch, 2000) „**you live in illusions**“ (10 fallacious illusions – the fundamental spheres of controlling). Available at www.cosmic-people.com .

THE FOUR AGREEMENTS (book by Don Miguel Ruiz, 1997) „**you are domesticated, the dream of planet, of people**“ (i.e., you are controlled, control program of planet, of people) „**mitote**“ – Toltec term for illusion, „**maya**“ – Indic term for illusion (our entire mind is a fog, all we believe, all terms and programmings of our mind, we don’t see truth because we are blind, our fallacious illusions we have in our minds make us blind; **the discipline of the**

warrior: Controlling your own behavior, warrior fights against control programs in his own mind). Continuation of Castaneda.

MATRIX WARRIOR, BEING THE ONE (book by Jake Horsley, 2003) „**humatons**“ (puppets, which are concretely controlled – the book lists the most widely used control programs, again – **the warrior** fights against control programs in his own mind). Continuation of Castaneda, too.

As for art shows, we can mention **IRISH DANCES** (Michael Flatley, 1998 - 2004) which nicely exposes the controlling by the Forces of darkness and fall of the Atlantean civilization.

One of many authors, who correctly and truly informed in his many books (or art shows) of **the negative and control state and condition of humankind**, and **who offered a correct solution**, was e.g. Emanuel Swedenborg, William Shakespeare, Castaneda, Neale Donald Walsch, Jake Horsley, Don Miguel Ruiz, Peter Daniel Francuch – books of **THE NEW REVELATION of The Lord Jesus Christ – the best worked-out and elaborate TOP INFORMATION – the spiritual laws, relations and processes in the entire Creation as well as on the planet Earth !**

THE FUNDAMENTAL TYPES OF CONTROL PROGRAMS (which comprise thousands of concrete CPs):

(1)

DIVIDE AND CONQUER (DC)

The main – bearing control program is “**DIVIDE AND CONQUER**” – i.e., **ISOLATION AND SEPARATION OF PEOPLE TO “GROUPS, CLASSES, LAYERS, CASTS, POLITICAL PARTIES ...”** and it is based on **SETTING PEOPLE AGAINST EACH OTHER**. In such a situation, people are nicely controllable. Everyone knows this well, it isn't necessary to write in detail about it, **this program is used everywhere and in all circumstances, and it forces ALL people to also control others so that the appropriate control structure and hierarchy can be established**. The fundamental elements are **millions of EXTERNAL ORGANIZATIONS (EO)**, where is leader with benefits, and other subordinates – **THE CONTROL PYRAMID**. Part of this CP are forced **CONTRACTS (CT)**, which by their own nature put people in the position of **liars** and **deceivers**. There exist no such things whatsoever in the True Creation.

(2)

PROVIDING-FOR CONTROL PROGRAM (PFCP)

Another essential control program is the “**PROVIDING-FOR CONTROL PROGRAM**”, which thanks to millions of years lasting fabrications of **human physical bodies** can work very well – **human has to slave very laboriously and toilsome in order to provide for basic necessities of life – THE FOOD** (yet much of the food and drinks is unused and ineffectively excreted), **CLOTHES, SHELTER, HEATING, LIGHTING, TRANSPORT** (expensive, coarse vibrations and noise), **etc.** In case of food, there is massive **MEAT-BASED CONTROL PROGRAM**. There are thousands of types of meat meals, but in contrast, very few types of meatless meals (which are aligned with Laws of love). Moreover, people **poorly** flavor these meals (this is deliberate controlling so that these meals **WOULD NOT BE EATEN MUCH**) and so the meals are that tasty. Scientists claim that meatless food

is unhealthy, and so schools and media keep enforcing these lies and untruths. For more information, see **message 1764 – THE TRUTH ABOUT HUMAN FOOD**. In the True Creation, True beings (Angels) have not excretory system of our type (they have minimum excesses of energies which are excreted in form of radiation and fragrance), the environment on their planets is always exactly adapted to the needs of their bodies, so they don't have to heat, light (there is light emitted from everything and everybody, heaven lights, soil shines, bodies of Angels shine), etc. Bodies of Angels can travel among planets, stars and Universes; The Cosmic people – Angels from the fifth, seventh and like dimensions use mother space ships with small scout ships; they are capable of levitation and moving by thought, they can also move objects by thought. The Cosmic people – Angels from higher dimensions (particularly immaterial – the **intermediate and spiritual heavens**) need no space ships – they can completely move by thought among universes, dimensions, galaxies and planets.

(3)

THE CONTROL PROGRAM OF IGNORANCE (CPI)

CONTROL PROGRAM OF IGNORANCE means „**NOBODY KNOWS ANYTHING, NOBODY WILL GET TO KNOW OR LEARN ANYTHING**“. Part of this program is human birth into the absolutely powerless, impotent and ignorant **body of toddler**. As a result, **it is easy program Earth man at schools in such a way that he would puppet and slave in the pseudo-society without learning anything whatsoever about his real state and state of humankind and his origin on planet Earth**. In adulthood, the human being is **by means of THE CONTROL PROGRAM OF BUSYNESS and THE DISTRACTING CONTROL PROGRAM** constantly kept in **controlled ignorance**. In the True Creation, there is **no** ignorant state, **everybody** has **internal** as well as **external 95 % access to all information**.

(4)

THE CONTROL PROGRAM OF BUSYNESS (CPB)

This CP is built on the following idea: **if you employ or make a human being busy (with anything), she WILL NOT have time for herself, for her spiritual growth, development of relations with other people, for visiting nature, personal education etc. NOBODY HAS TIME** – this can particularly be seen in big cities (e.g., Prague). Being busy, the human cannot liberate from the trap of the negative state – he constantly slaves, is tired, but also mad that with his earnings, he cannot buy what he would like. In other words, he has coarse vibrations. Part of this program is a program of **OCCUPATION – UNEMPLOYMENT – the rule here is: either you will slave a lot, or you'd have existential problems**. At the same time, human is **employed with insignificant activities in terms of his spiritual growth, and so HE MISSES TRULY ESSENTIAL THINGS IN HIS LIFE !** E.g., when the Czech republic was entering the EU, Mr. Klaus announced: **You will still work hard. I.e., WORKING TIME WILL NOT BE REDUCED – YOU'LL STILL BE SLAVES OF MATTER**, and, in addition, workload is more and more often designed for **MORE than 8 hours of work a day**, so the one hand, people create values, but on the other hand, they **DON'T HAVE TIME TO USE THEM**. Moreover, a considerable part of their working energy is taken away and used for negative purposes – particularly **TAXES – system of manifold taxing (over 50 %) for state system** – health service – a big hole, education system – senseless controlling curriculums (e.g., complicated grammar of the Czech language – this is a control program, too), continuing with business – products and services – negative expenses for advertisements, storage houses for products, pointless accumulation of private property everywhere you look (mainly in flats) which is inappropriately and little used (lots of idle

private cars parked in streets and garages, immensely expensive and dangerous car transport which, in addition, devastates living environment, nature and people themselves, etc.) In addition to all this, for the purpose of better control, **the massive chip control systems** are being introduced into all spheres of human life. And again, this expensive system is paid by taxes of people themselves.

(5)

THE DISTRACTING CONTROL PROGRAM (DCP)

If a human thanks to his own **spiritual growth** acquires true information and, by means of **the true work of light**, he liberates from the trap of the negative state, the Forces of darkness apply **THE DISTRACTING CONTROL PROGRAM (which belongs to the group of ESOTERIC CPs)**. The aim here is to distract and lead the human being away from the work of light – the help to one's fellows – positive acts and steps, and to make her busy with **EXTERNALLY LIKE ACTIVITIES** which, however, are no more the work of light and the help to one's fellows, but it's some masked form of control of other people, who are thus braked in their spiritual growth (particularly dangerous and extensive activities are in the information and the healing field !!! It involves e.g. most of esoteric actions which are under control of the Forces of darkness).

(6)

THE CONTROL PROGRAM OF EXTERNAL COMMUNICATION (CPEC)

The goal of this program is to liquidate **THE TRUE INTERNAL COMMUNICATION VIA ONE'S SPIRITUAL HEART – THE FOURTH CHAKRA – SENSING**, and replace it with whatever technical form of **EXTERNAL – CONTROLLED COMMUNICATION** – e.g. **MEDIA**, so that a human draws an impression he **has plenty of true and correct information**. But in fact, **HE HAS PLENTY OF CONTROLLING INFORMATION**. The important parts of the program today are **TVs, cell (mobile) phones, computers**, which cunningly **LEAD** people **AWAY FROM USING THE COMMUNICATION MEANS IN THEIR WITHIN TOWARD USING THE COMMUNICATION MEANS IN WITHOUT**. This program is very cunning and very dangerous. In addition to **PROVIDING-FOR CONTROL PROGRAM AND DISTRACTING CONTROL PROGRAM** (human has no time for himself, nor for nature (she opens the heart chakra)), there is plenty of supporting control programs, which, by negative energies, are designed to **CLOSE** and keep **CLOSED** the heart – the fourth chakra: coarse-vibratory media, various fears, stress – unhandled situations in one's life, free and paid advertisements – directions for doing evils and falsities, wearing cell phones on the chest, irradiation by TV and computer screens, cell phones, **RADIO, MILITARY RADARS** and many others. Virtually any device (including cars) degrades by its coarse vibrations many bodies of people and closes the heart chakra (cordiality, honesty). All engines are built on negative principles – the explosion at combustion engines, the fissure at nuclear reactors... and these processes again create the coarse-vibratory energies. People are not allowed to use devices for measuring these vibrations, noise, poisons – chemistry, radio-activity etc. (military and doctors do have them, but don't use them in a positive way). For example, repeating news in media about ticks in nature is intended to induce in people fear of nature, so that people won't visit nature, or visit it minimally having thick clothes on themselves and being spread with chemical repellents, and so that moving in nature won't be pleasant and comfortable ! Nevertheless, even after having been attacked by tick, positive people could not be infected by disease, for their love and high vibrations protect them from anything negative.

(7)

THE MONETARY CONTROL PROGRAM (MOP)

The entire human history is built on **MONEY** and **BUSINESS**, or more precisely on **“PROFIT”** (as if no other “profit” existed), and, at the same time, schools are massively teaching that moneyless society is a primitive simple society where barter trade takes place. This is a huge lie and deception – another control program applied upon people so that nobody would ever try to live that way. The way of living where products and services are offered according to the necessity **WITHOUT** exchange – without trading, that is, **FREE OF CHARGE**, without requiring something in return, is not being discussed here by anybody (excluding exceptions) whatsoever (we don’t even have a term for this in Czech language – the grammar is again product of the Forces of darkness). Why ? Because this the **important path** toward liberation from the trap of the negative state ! In the True Creation, nobody trades with products and services and nobody ever thinks about that in their high **CONSCIOUSNESS**. Nevertheless, in Czech and Slovak Republic (and surely in other countries of the world, too) are expanding **SELF-SUPPORTING ACTIVITIES** which, although having no or only negative support from the media), succeed in corrupting and interfering with the monetary system and help liberating from the clutches of money. For example: <http://letokruh.webpark.cz> , www.ecn.cz/gaia , <http://ekonomika.tvorivo.sk> and many others. Our web-site www.angels-heaven.org is also built self-supportingly in a great degree, and you will find here **THE PETITION FOR MONEY ABOLITION** (message 1885) and **THE PETITION AGAINST MICROCHIP TOTALITY** (message 1622). The Forces of darkness prepare “money abolition” also, but only **physical money abolition**, which means that money flow will be completely transferred into **electronic computers systems and networks – which enables the chip totality** which has been diligently built for already 50 years. **With this system in use, the controllers expect a higher efficiency of control and the higher degree of enslaving people !!!** Every individual shows in his every day life his relation to either the monetary or moneyless system, so the excuses “it didn’t work other way” or “I didn’t know that” are not applicable. A significant part of monetary control program are also **thoughts of money** – calculations, speculations and such.

(8)

THE DICREDITING CONTROL PROGRAM (DCP)

It is kind of operative control program, whose purpose is to **DISCREDIT or MOCK or MAKE A FOOL a human who exposes the ugly face of the negative state and who at the same time presents a positive solution – liberation from the trap of the negative state**. This control programs is particularly used when other control programs have no or only little effect. This control program is, therefore, primarily applied upon **people who successfully advance in their spiritual path and thus liberate themselves from the trap of the negative state by means of love, goodness and wisdom**.

(9)

THE INTERCONNECTING CONTROL PROGRAMS (ICCP)

This is again a group of widely used control programs which, **by means of so-called INTERCONNECTING CHANNELS, LINK or INTERCONNECT human with whatever negative events – scenes which already took place, are taking place or will take place**. By interconnecting the coarse vibrations of given scene and a human, **the human’s mind**

and his bodies get penetrated and flooded with these energies and so vibrations of the mind and bodies degrade and become disharmonious. The role is interconnecting means is largely played by the **MEDIA** (TV, radio, press – newspaper and magazines), **INTERNET** (just mere www = 666 = interconnection to pseudo-creators), **CELL PHONES, BOOKS, PICTURES, AUDIO, VIDEO DISKS, CD DISKS, ADVERTISEMENTS.** (the highest densities of these are in shopping centers, big cities, along highways etc.) **THE NAME OF A COMPANY** interconnects to the within of the company – to company's data and particularly to minds of company managers, who are mostly **directly controlled by the negative entities of the dark worlds !!!** As an example unknown to people, we can quote **names** of last automobiles of the SKODA-AUTO company – OCTAVIA, FABIA, SUPERB – these names **interconnect** to Roman commanders and murderers (Octavius, Fabius, Superbus) and thus to warfare events they commanded. The protection lies in **non-watching** of advertisements and minimum using of names of companies (where necessary, one can rename them in one's mind – e.g. **Delvita – Delphina** – the positive interconnecting means).

INTERNET has in recent years become the basic means for advanced control, where puppets get faster, easier and more effectively hooked on other elaborate control programs (98 % of Internet content is negative). **A transition from wired to the wireless networks take place** – this is the keystone of the **CHIP TOTALITY** together with implanting chips to everything and everybody. **Cell phones and PDAs** belong here too, offering today **high-quality screens and high-speed data transfer.**

COMPUTER SOFTWARE is also supplied by the Forces of darkness in **MANY AND LOTS OF VERSIONS** so that users **CANNOT** easily exchange and convert data and disseminate it swiftly. Users are braked and stolen of energies by **TOILSOME CONVERSIONS** among many versions and kinds of software environments – monopolistic tools, e.g. **WINDOWS, OFFICE (WORD, EXCEL, OUTLOOK etc.).**

Another manifestation of interconnecting control program are **BAR CODES** which again contain harmful symbol 666 interconnecting to the pseudo-creators (two outermost and one middle line = 6, determinative lines of specific products were introduced jointly by world trade companies). Some healing-oriented magazines published articles about harmfulness of bar codes, but in fact, harmful are only those separating lines 666 which link to pseudo-creators (this wasn't written in those articles). These articles give directions: **“Devote yourself to bar codes”** – cross them through or stick a little heart on them etc. – **this is another control program – because you DEVOTE yourself to them, not only are they irradiating you, but also you interconnect to them in our mind when you're devoting yourself to them !!!** Moreover, the time you devote to them, cannot thus be used for quality life, relationships etc. – this is another form of slavery. Moreover, factories of companies like **INTEL, TOSHIBA, etc.** began producing trillions of “fleas” – 0.3 millimeter-sized chips, which are to be built-in to packages and then to **VERY** products (starting with big and expensive products, and continuing to smaller and smaller ones, including food), and those sixes are there too. Now you see what the control program about bar codes from the group of the **ESOTERIC PROGRAMS** it is to devote your time to this. Yes, these “healers” have measured these energies (just like scientists did), but they **have no positive solution for that.** Articles in healing-oriented magazines have grains of truth, but, in overall, they are **fallacious and misleading** – the esoteric control programs. Because there are no other – truthful alternatives to these types of articles, many readers consider them to be correct. A really truthful magazines **doesn't exists** here, because it needs a lot of money and money are in hands of controlled people. The efficient protection is a **POSITIVE, LOVING LIFE** – minimization of visits of shops (especially the big ones, we try to stay there a minimum time possible), which goes hand in hand with **modesty and humility**

(minimization of things one needs in life, the flat is not a storage of things (“for worse times” – mistrust in the **Prime Creator of all and everything**), but it should be rather empty and neat), **self-sufficiency** (own products and home-grown food, if possible) and **mutual support** (people help out themselves mutually **out of** the monetary and trade system).

(10)

THE CONTROL PROGRAM OF MYSTERIES (CPM)

This are, again, very cunning people control programs from groups **MYSTERIES, FANTASY** and **U.F.O.**, which are based on human ignorance and foolishness and whose purpose is to interconnect human mind to highly coarse-vibratory sources (directly negative extraterrestrials and their Dark worlds are the most dangerous ones). By means of this interconnection, **human beings who forgot about love and good, truth and wisdom, are thus definitely being prepared and oriented to descend down to the Dark worlds of the zone of displacement.** These control programs are manifested here in guise of many movies (e.g., Star wars), books, magazines, lectures and TV series (e.g., X-Files). **This is one of the last, the most coarse-vibratory and the most manipulative sort of CPs which is ONLY followed by direct fall downwards. These CPs are actually entrance tickets and open doors to Dark worlds for controlled humans who choose this themselves. They are very dangerous.** However, not everybody gets caught by this program, human being has to be first sufficiently prepared by other CPs so that she will be sufficiently controllable and will not be able to discern between truth and lie, to sense (lots of blocks, more than 95 % controlling) and so that she virtually won't be able to recognize and defend against this downward fall (she has to sufficiently “stupid”, so to speak).

Symptoms of control:

Generally **non-quality life, with troubles, problems, diseases, slavery, in other words – the negative state will everything that pertains to it, including CONSTANT TOILSOME AND SLAVISH PROVIDING FOR EXISTENTIAL CONDITIONS** – housing, food, clothes, transport and other services and benefits which often are not inevitable, but to attain them, one has to work like a **SLAVE** (see **THE NEW REVELATION OF THE LORD JESUS CHRIST** at www.angels-heaven.org for more info). If people could **COMPARE** their lives to the lives of **UNCONTROLLED BEINGS** of other – the True worlds, they would immediately reveal this and instantly begin finding solutions to their situation. It is much like e.g. slaves in captivity in the Middle Ages could not compare their state with the state of non-slavery, and so they couldn't solve it easily. Or, for example, people in Africa's Sahel starve, but they don't try to find solution to this because they are not even aware they are hungry, they don't have access to information what it is like to live without hunger (they don't make excursions to developed countries, they don't see it in their television – they don't have any etc...). In other words, **THE VERY FIRST step toward finding a solution to a problem is THE AWARENESS of the problem, and this is what people ARE NOT ALLOWED by the controllers** (the second step is naming the problem and next steps are concrete solutions to the problem which is already quite easy). **THIS IS AN IMPORTANT AND VITAL ELEMENT OF CONTROL – THE UNAWARENESS AND NON-REVEALING OF THIS STATE.**

Regarding **spiritually more advanced – positive and loving people** correctly walking their **human spiritual path**, controlling entities are, in addition to common practices, forced to use **operative contamination**. In situations for which the other side **has no** sufficiently prepared control programs (if, e.g., we don't make plans, maximum 1 - 3 days), she uses **simple contamination of sentences**, which she performs **operatively** as she does **not know** in

advance steps of the Earth man who correctly uses **the true guidance by the Forces of Light**. It's mostly about changes or insertions of simple words into sentences, which subsequently render a bit **different** or **completely different** meaning. For example, insertion of words – adverbs **ONLY, AT ONCE – IMMEDIATELY, QUICKLY, ALWAYS**. Of course, it doesn't always mean that one of these words was inserted by the other side.

Examples:

(1)

When talking to somebody (e.g., while walking), he turns his head on the other side so that almost nothing what he says can be understood – the goal here is to create misunderstandings, quarrels (high degree of controlling).

(2)

With Cosmic people communicates **ONLY** Mr. Meier, no one else, ... (when it has been divulged, then at least pervert, pollute or best liquidate it; this has been successfully practiced by some individuals (judges, executors and similar profession) for many years)

(3)

Materials of Light at the lecture of Ivo A. Benda are available **ONLY** there. (If these materials run out, then they certainly aren't and won't be anywhere anymore – **an internal erroneous conclusion** of a controlled human.)

(4)

Cosmic people communicate with (and make lighting greetings at sky and show themselves to) **ONLY** some people (not with/to any others). (Nothing is that **far from truth** than this statement – an **erroneous internal conclusion** of controlled human.)

(5)

ONLY chosen people will be evacuated (Incorrectly interpreted: Those who will be chosen by Cosmic people.) Correct interpretation: **Evacuated people will be the chosen ones** (correctly interpreted: **those who choose themselves by means of their positive behavior and thinking**).

(6)

When you walk the street with big title www.angels-heaven.org on a bright cloth, some oncoming pedestrians let themselves to be controlled to such extent that they are unable to spot the title. They always turn their heads and eyes somewhere else under whatever pretence. Many times, the other side uses distracting program of kind "behold, there flies a birdie". Some people have such wrong spiritual state (high controllability – 95 % and more), that such a program is not needed and they still look elsewhere. Even though, the dissemination of light information is very efficient with a web-site name on clothes, especially on streets, in stations, airports full of people, or at busy crossings.

It is necessary to understand that **the Forces of darkness play with EVERY human a "CAT-AND-A-MOUSE" GAME WHICH IS PLANNED IN THEIR COMPUTERS FOR EVERY INDIVIDUAL THOUSANDS AND MILLIONS OF YEARS IN ADVANCE**. The Forces of darkness therefore allow for compulsory contribution of humans' output work – the slavery, fear and like energies – which humans will be giving them throughout their lives in number of the Dark worlds. At the same time, the goal of the Forces of darkness is to gradually **BLOCK** the entire chakra system of humans which serves for reception of True information from the True Creation; So, there is a PLAN of BLOCKS prepared for each life of human being so that she will be **DISCONNECTED AS MUCH AS POSSIBLE** from the Prime Creator of all and everything and from True beings – the Cosmic people from the True Creation, everyone's original HOME.

A standard control element is the schema **"WHEN THEY'RE CATHING A BIRDIE, THEY ARE SINGING NICELY TO IT"**. This means that a controlled individual is given "benefits"

(for example, if he is a businessman, he is passed pieces of information that are suitable for his business), but after ending the life, the **soul** of that individual is shown (by the Forces of darkness) the film of his life, which however shows only **PART of truth**, including how Forces of darkness “**helped**” him to achieve the benefits. **The soul then acknowledges** that this is true, and they say to him: “**And now you will work for us**”, and he agrees because he doesn’t know the whole picture, the whole truth. That is, **the energy was only LENDED to that soul, and they want it BACK again with interests** (just like proper and true businessmen). And as a result, these people “voluntarily” **SLAVE** in lots of further lives in the trap of the negative state.

We love you and we are helping you.

THE CREATOR

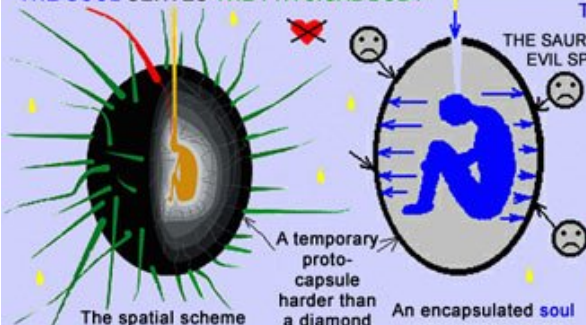

THE NEGATIVE STATE

Almost all of 6.5 billion Earth men have encapsulated **Spirit** and **soul** in the temporary proto-capsules harder than a diamond, and their **physical body** is 95% controlled by the saurians or evil **spirits** – the pseudo-creators. The capsules are formed by humans' negative energies from their own free will.

HUMAN WORLD

"Up to 80% OF HUMAN WORLD OPERATION HAS BEEN 7 MILLION YEARS (in your time) remotely controlled BY COMPUTER – DATA-SYSTEM preprogrammed FEW YEARS IN ADVANCE in the underground of the Dark worlds by the PSEUDO-CREATORS, saurians – reptiles and other negative entities – THE CONTROL PYRAMID.

Another 10% is PROGRAMMED INDIVIDUALLY ON-THE-FLY – OPERATIVELY – CIRCA 3-5 DAYS IN ADVANCE again from the Dark worlds. Human SPIRIT and SOUL is for this purpose IMPRISONED IN CAPSULES and thus it can only minimally – circa 5% be involved in controlling of the PHYSICAL BODY. For more on this topic, see messages 1761, 1925, pictures 793, 811, 1240, 1243 and books of THE NEW REVELATION OF THE LORD JESUS CHRIST available at www.angels-heaven.org , www.cosmic-people.com

Only circa 10% is used by Earth men by their positive choices for receiving in their Spiritual heart THE TRUE INFORMATION from THE PRIME CREATOR OF ALL AND EVERYTHING and COSMIC PEOPLE - ANGELS.

This 90% PUPPET-SCENE is PERMITTED by The Prime Creator of all and everything for the purpose of giving to all beings in the Creation a LEARNING WHAT NOT TO CHOOSE and an answer to the question WHAT LIFE WOULD BE LIKE WITH DENIED OR PERVERTED SPIRITUAL PRINCIPLES – THE LAWS OF LOVE – OF THE PRIME CREATOR OF ALL AND EVERYTHING. This answer serves them in their development.

EVERY human who chooses LIBERATION from the puppet-trap of the negative control state has ALWAYS an opportunity to master in his SPIRITUAL PATH (messages 819 – 847, pictures 688, 692) a number of SPIRITUAL TESTS by WORK OF LIGHT – WORK ON ONESELF AND HELP TO FELLOW PEOPLE, to carry out TRANSFORMATION OF HIS BODIES and to return back HOME to the TRUE CREATION where he ORIGINALLY comes from and where HIS SPIRITUAL FAMILY is.

THIS STATE is also a reason why this pseudo-mankind is virtually COMPLETELY ISOLATED FROM THE ENTIRE TRUE CREATION – i.e., countless number of POSITIVE CIVILIZATIONS and, in particular, 5 million positive civilizations in this Galaxy – The Cosmic Federation of planets. Pseudo-life of the negative state is absolutely INCOMPATIBLE with the True life in the positive state of the Creation. Isolation and separation of earthly mankind is intentionally maintained by pseudo-creators so as not to disrupt A COMFORTABLE CONTROL by disclosing this fact and, at the same time, to KEEP in people's minds AN ILLUSION OF THEIR EXCLUSIVENESS AND SELF-EVOLUTION.

10% of True information and 10 % of individual operative control IS NOT SUITABLE for pseudo-creators in view of their further plans with this mankind. The plan of control is a build-up of PLANETARY CHIP-BASED CONTROL SYSTEM with aid of people themselves, aimed at CHIPPING OF EVERY THING, ANIMAL AND HUMAN – message

1622. In conjunction with satellite system, they want to REDUCE THE DEGREE OF TRUE INFORMATION FROM TODAY'S 10% DOWN TO A MINIMUM AND ALSO TO REDUCE THE DEGREE OF INDIVIDUAL - OPERATIVE CONTROL FROM 10% DOWN UNDER 5%. After that, pseudo-creators want to come on Earth welcomed by puppet-people.

As long as mankind on planet Earth chooses pseudo-creators' intentions cunningly camouflaged as BENEFITS OF TECHNOLOGIES, IT THEREBY CHOOSES SLAVISH CHIP PSEUDO-SOCIETY – THE FULLNESS OF THE NEGATIVE STATE, AND THUS FULLY ANSWERS THE QUESTION STATED ABOVE.

Then I WILL COME FOR THE SECOND TIME on planet Earth and WILL ONCE FOREVER ELIMINATE THIS WEIRD PUPPET-SCENE OF ALL DARK WORLDS OF THE ZONE OF DISPLACEMENT, GIVE ALL ITS ACTORS THE TRUE FILM OF REALITY WHERE THESE POOR FELLOWS EXISTED, AND GIVE THEM AN OPPORTUNITY OF CHOICE OF CONVERSION TO THE POSITIVE STATE. THE SALVATION proceeds already HERE and NOW on planet Earth, which is observed by all in the True Creation and the zone of displacement, thanks to WORKERS OF LIGHT who give all actors of the negative state THE GRAINS OF TRUTH thanks to which these actors will later BE ABLE TO make the right choice and undergo the conversion to the positive state, and thus SURVIVE.

He/she who has ears to hear, eyes to see and who senses via the spiritual heart in the middle of his/her chest, let him/her hear and see the information revealed in this message.

THE LORD JESUS CHRIST,
The Nature of THE PRIME CREATOR OF ALL AND EVERYTHING.”

PROBLEM OF HUMANKIND

THE PROBLEM OF TODAY'S HUMANKIND ON PLANET EARTH
IS THE CONTROL PROGRAM IN THE FORM OF VERY FINE WAVES
WHICH IS 95% ACCEPTED AND RECEIVED BY CHOICES
OF MASSIVE (OVER 90%) MAJORITY OF PEOPLE.

THIS PROGRAM IS CREATED BY PSEUDO-CREATORS
IN THE DARK WORLDS, AND IT RESULTS IN PSEUDO-LIFE,
WHILE THE TRUE LIFE HAS BEEN POSTPONED AD INFINITUM.

THIS CORRESPONDS THE INTERNAL – NEGATIVE – STATE OF PEOPLE

**– I.E., THE SPIRIT AND THE SOUL ARE ENCAPSULATED,
AND PHYSICAL BODY IS FULL OF LADEN GENES
AND HAS SIGNIFICANTLY DEGRADED ABILITIES.**

**WITH INTRODUCTION OF CHIP TECHNOLOGIES ON EARTH,
WHAT GETS INCREASED IS NOT THE LIVING STANDARD OF PEOPLE,
BUT THE DEGREE OF PEOPLE CONTROL
(THE GOAL IS 99.99 % CONTROL) !!!**

**THE SOLUTION LIES IN THE CHANGE OF PSEUDO-LIFE
IN THE TRUE LIFE, WHICH YOU CAN ACHIEVE
BY YOUR CHOICES OF A POSITIVE LOVING LIFE
FROM YOUR OPEN SPIRITUAL HEART.**

**YOU ARE HELPED IN THIS
BY THE PRIME CREATOR OF ALL AND EVERYTHING
AND BY COSMIC PEOPLE OF THE FORCES OF LIGHT
FROM THE TRUE WORLDS,
WHO ARE EVERYWHERE AROUND YOU.**

THE EARTH IS SHAKING

„The small Earth is joggling,
to get rid of bothersome insect,
of voracious locusts
changing love into mammon.

The earthquake begins,
the Mother keeps on vibrating;
this is important phase
for all participants.

All the people who have harmed the globe,
will examine their conscience;
the Earth shall expel them:
they will suffer in the desolate, dead worlds.

There are many processes of purification under way
on the surface of the Mother:
events move so rapidly,
that even media do not comment on all of them.

After all, anybody can see the light,
turn for the better,
and accept the loving principles
applying to the life on the beautiful Mrs. Earth.

Thoughts of people should be regarded
as very powerful energy,
vibrations that penetrate everything
what exists inside and on the Earth's surface.

Dear people, this is message for you:
thus feel the events,
so that Mother Earth
and you could rejoice.

This was transmitted with love in heart to all
by Ashtar Sheran.“

*I thank you, dear Ashtar;
with love and joy I shall deliver the message to all. Ivo.*

Adaptor's comment:

www.iris.edu/seismon December 25, 2004 – January 2, 2005

Very heavy earthquake (9 degrees of Richter scale) affected the area of southeastern Asia – Indonesia – (the epicenter at the coastal area of Sumatra), especially the shore at the Bay of Bengal, but also the eastern coast of Africa. Surprisingly strong WAVE TSUNAMI (750 kilometers per hour) flooded Indonesia, Sri Lanka, India – in particular the state Tamilnad – Malaysia, Thailand, Burma, Maldives and Andaman Islands, etc. It killed huge number of people and caused enormous material damage. In that region were just spending Christmas many tourists from all quarters of the world (also Czech singer Karel Gott). Over 300 000 people died (this was not yet final number of casualties – more than one half of them perished in the Indonesian Sumatra) and there was yet involved danger of subsequent epidemic. Vast regions were stricken with long-continuing power cut. Even the oldest natives had not experienced anything like that ever before.

Death of these people **should not be viewed from a position of personal ignorance**. Larger number of them was leaving to the Dark worlds, and on the contrary, others (both children and adults) went Home, coming to the True worlds. Every human being is destined for hundreds of thousands lives and by means of previous decisions made in the past lives he has built up concrete personal position that is experienced, kept and changed by him. Nobody gets hold of such factual information, and therefore it's no use trying to find out who is or who is not guilty in concrete individual cases. But in general the rule says: **What you send you will come back to you**. When ? That's the play of time.

Certainly, regarding the majority of people concerned, this catastrophe was caused by negative thinking and behavior. The survivors thus went through teaching spiritual lesson, in order to change for the better, but of course, this could be said also about greater part of the 6 500 000 000 terrestrials.

The main evening news of the Czech Television 1, on December 29, 2004:

According to the American geophysicists, the earthquake that affected the area of southeastern Asia caused following ACCELERATING ROTATION of the planet Earth and the axis of rotation consequently leaned to the side.

The whole planetary system is very fine and well-balanced; its equilibrium is disturbed by any discordant kinds of energy produced through the medium of negative thoughts disseminated by increasing number of people. The planet Earth tends more and more to shake off the originators of the coarse-vibratory energies – thoughts.

These events were not the last ones; you may observe what will follow.

THE GALACTIC FAMILY

“This cosmic island,
called the Spiral Galaxy,
has provided Home
for a great many Creator’s Right worlds.

There is about 5 million Paradises.
Societies of Spirit, happiness,
permanent enjoyment of life
valued by a huge number of their inhabitants.

They live in Home worlds
with harmonious nature,
where is not caused any earthquake,
nor other disasters.

The Galactic Federation
is a free alliance,
where everybody is in the right place
and nobody anywhere falls into oblivion.

This family consists
of many various levels,
pervaded with deep relationship to LOVE
and to the primary Creator.

These are His Worlds
set out in Heaven,
where everybody enjoys both peace and abundance,
without knowing war and starvation.

Today significant event took place:
the planet Earth was accepted into the Galactic Federation,
just some people, who live in love already now,
not this old world.

Consequently they even became members
of the High Council within this Galaxy
and were granted new rights,
including taking part in decision process
keeping track of their lives and existence elsewhere.

They have manifested by way of their lives
legitimacy of this status;
in Heaven everybody knows about them,

although as if they were “invisible” in the old world.

This was transmitted with love in heart to all
by Ashtar Sheran.”

*I thank you, dear Ashtar;
with love and joy I shall deliver the message to all. Ivo.*

MESSAGE FOR PEOPLE FROM GORLOJ

“Dear Ivo,

I, **Gorloj**, member of THE HIGH COUNCIL of The Cosmic Federation of planets of this Galaxy, am calling you. I have a message for you about an important event that has just took place. The decision was made in our meeting of representatives of many cosmic civilizations of light that planet Earth was accepted as a member of this Federation, and it was decided here that **ELIGIBLE PEOPLE WOULD BE PICKED UP ON OUR SHIPS**. This **NEW SOCIETY OF EARTH** is being outlined today – 150 million people are headed for this society and others can join later. We TEACH many about all they need for THE TRUE LIFE, they have EDUCATION today which they'll use on THE NEW EARTH. Yes, they are being helped by many brothers, sisters, who came from the Galactic family, and who deal with love and wisdom.

Yes, another schooling took place today about life on the New Earth, about organization of society and even about driving space ships. You learn galactic language KOSAN, your consciousness is open, transformation of your bodies continues. Our biolog-physicans are helping. You choose this yourselves, you manage tests, all of you, true people, will learn where to settle your new Homes. The New Earth gets prepared in the 5th dimension of planet Earth, in Heaven, where love reigns. This is great event, we've been waiting for thousands of years until humankind matured. Yes, pass this message on to people in the world that bears so much darkness. People's choices are the key determining where to go next – either to Heavens – The true society, or to dark worlds and holes. Everyone makes choices constantly, on a daily basis, and everyone has lots of chances and opportunities to revert and to grace **The Creator** with his/her visit. Dear Ivo, trumpet to this dark world the message that the New Earth arises and provides its help to this world.

This message was given to you with deep love by **Gorloj**, member of THE HIGH COUNCIL OF THE GALAXY.”

*Thank you dear **Gorloj**, I'll pass this message with love in my heart on to the old Earth. Ivo.*

MESSAGE FOR PEOPLE FROM THE CREATOR

“Dear Ivo,

I, **The Prime Creator of all and everybody**, am talking to you. I’ve got an important message for people of this planet Earth.

Humankind’s society controlled by Darkness has come to the abyss it has been approaching to by its many choices in this as well as previous lives. This is because most of people have not listened to **THE VOICE OF HEART**, i.e., My Voice, but the voice of the Forces of darkness, which have been working hard on assumption and seizure of this society. Only minor part of people (ca. 150 million people today) let themselves be led by their **HEART**, and therefore will be **SAVED** from mad intentions of the Forces of darkness. In near future, these true people will be in absolute calmness during one night **LIFTED UP** on evacuation space ships and then transferred on the New Earth in the 5th dimension of the True Creation prepared there for them by me. I’ll **GIVE** them this beautiful and harmonious environment because they **HAVE CHOSEN THE LIFE IN LOVE and IN COOPERATION WITH ME – The Prime Creator of all and everybody**. This choice is crucial for them and during the on-coming events on planet Earth, everyone will recognize what he/she chose. Yes, I would like to wish everybody to turn to Me by his/her life – that is, to choose **LOVINGNESS AND THE POSITIVE STATE**, which is key for the true life in Heaven – the True Creation – in lots of My Homes, which have been here since time immemorial. I am constantly helping everybody who did what is stated above and who chooses **TRUTH, LOVE, GOOD, WISDOM, HARMONY, PEACE** and many other positive attributes inevitable for the True life in the True Creation. Those people who choose negations of these true attributes will experience consequences and outcomes of these choices on their own skin, so to speak, and they will recognize what they committed by such choice.

This message was given with infinite love to all people of planet Earth by **The Prime Creator of all and everything**.”

*Thank you dear **Creator**, with love in my heart I’ll give the message to old Earth. Ivo.*

MESSAGE FROM JESUS

“Dear Ivo, I, **The Lord Jesus Christ**, am talking to you. I love you and encompass you with love.

At the present time, the mankind of this planet Earth reached the limits of its activities and efforts, and it now repeatedly more and more faces consequences of its prevailing matter-oriented kinds of behavior and acts, which brings many outcomes: on the one hand, **CLEANSING PROCESSES** of planet Earth from coarse-vibratory energies – negative thoughts of people, and on the other hand, respective people get themselves **AFFLICTED** by these consequences in their concrete life situations in precise accordance to the choices they made. As a result, the quality of life of most people is constantly deteriorating – from slavery in work, through fears of debts and existential problems, to diseases and injuries.

Planet Earth, however, does not intend to keep such individuals on her surface and therefore, after their death, they are subsequently moved to corresponding dark worlds of the zone of displacement without so-called standard and quality of living they had before.

Some minor part of humankind, though, has chosen and chooses the positive way of life according to laws of love inscribed in their heart. Thus, these people don't focus on matter goods and pleasures excessively and they try to help with love to their fellows and they have a vision of beautiful harmonious society. These people have in front of them the corresponding quality of life in True worlds of The True Creation – their True homes offered to them by The Prime Creator of all and everything. Hence, this part of people is either after physical death of body or with living physical body gradually moved on the True Earth in the 5th dimension, and now it is even a bigger number of people who are preparing for this transition – ca. **150 million people in the 1st evacuation wave**. A month ago (in your time), **planet Earth joined the Cosmic Federation of planets** of this Galaxy and so she now has a historic opportunity to show other people, who so far choose old style of life, how to change and create a **New society** based on **spiritual principles of love, joy, good, truth** and thus to walk closer and closer to **The Prime Creator of all and everybody**.

Moreover, I want to tell to you that our cultural action – **the lecture in Prague on January 15, 2005 participated by 500 people – was very important for passing further key information of light on to** people, who came here not only from Prague, but from the entire Czech and Slovak country. In the presence of Cosmic people of the Forces of light and myself, they learned everything they needed to know in this important phase and so they would have a good opportunity to show their qualities at fulfilling their missions of light. Everyone who underestimates the other side and doesn't abide by his/her spiritual heart, will experience on his/her own skin the consequences of outcomes of his/her short-sighted and matter-oriented behavior under the illusion of “profit” – **THE GOLDEN CALF** in fact.

At this meeting, people took with them lots of materials of light, mostly leaflets – over 5000 of them out of 10 000 in total (available in 100 kinds). Furthermore, everybody could view over 500 exposed pictures about the Cosmic people and situation of mankind, which are normally exhibited in the Cosmic center in Holesovicka marketplace (hall 7). Information of light are available in the first place at www.angels-heaven.org to the extent of 7000 pages of texts and 5000 pictures, audio and video recordings of some lectures and actions of light. This way, the information are available to anyone who is interested in information of true state of people, of the way of positive change and of your helpers – Cosmic people of the Forces of light. At the present time, many people realize and become aware of their position and mission, because of which they came here, and therefore they have a great interest in managing their missions of light which they had been preparing for prior to the birth. I'm helping everyone in his/her heart and lead him/her so that his/her acts of help to fellows will carry him/her out of slavery and trap of the negative state. Keep up in your endeavor, dear people, and have your hearts always open.

This message was transmitted with love to all of you by **The Lord Jesus Christ.**"

Thank you Lord Jesus Christ, I'll gladly give this message to people of planet Earth. Ivo.

2158. Earth man as a transmitter; definition of vibrational quotient of our environment. January 22, 2005.

An important message.

EARTH MAN AS A TRANSMITTER; DEFINITION OF VIBRATIONAL QUOTIENT OF OUR ENVIRONMENT

Relayed from our Cosmic Friends from evacuation ships (out of their love):

"TRANSMITTERS generally are:

Sources emitting or radiating electromagnetic waves of either long-wave or short-wave nature.

These **WAVES** originate together with the origination of **electric charge**. Simultaneously, an **electromagnetic field** is created (described by 2 parameters: **permittivity** for electric field and **permeability** for magnetic field). These parameters determine electromagnetic field stability – they indicate the ability to accumulate energy in given environment in a direct proportionality. They are determining for given environment.

Or, in other words, everywhere an electric charge exists, originates also an electromagnetic field, whose fundamental attribute is that it always enables transfer of

electromagnetic waves, thus transfer of energy and current if conditions for this are met (gradient among two or more energetic potentials).

(a)

NATURAL electromagnetic fields exist **INDEPENDENTLY** of transmission from modulating sources; they normally occur in natural environment on the ground as well as in the air, but they aren't pulsating. **They aren't** unhealthy.

(b)

ARTIFICIALLY created pulsating resonance fields in our environment:

Transmitters of electromagnetic waves create unhealthy electromagnetic resonance fields with relatively high frequencies and with constantly markedly varying values of intensity. Transmission is continually expanded to new frequency bands with constantly increasing power. Type of modulation also changes (new digital broadcasting with more significant impacts on human health). The number of transmitters is being increased rapidly (GSM – cell phones, Wi-Fi internet ...).

At the present time, EU works on **Galileo location system** formed by set of 30 satellites on 3 tracks (there will always be at least 4 satellites for active surveillance of any place on Earth) **constantly emitting monitoring signal**. Galileo is intended to cooperate with U.S. GPS system. GPS has also a set of 30 satellites which by means of steady transmission monitor activities of every human on planet with resolution up to 15 meters (ca. 50 feet). After Galileo is put into operation, all beings or objects (with implanted chip) will be monitored with resolution of **2 meters (6.5 feet)** even inside buildings, shopping centers or tunnels. Until now this was impossible (however, the true maximum technical resolution is **several centimeters**). Creators of Galileo themselves say this system can be massively applied in all spheres of our life. Frequency assignments are executed by International Telecommunication Union www.itu.int in Geneva, Switzerland). **By means of frequencies of physical bodies (without chips being necessary), the location of every Earth man will be identified !!!** (See: www.popularis.cz .)

This unambiguously implies that already today scientists know:

Frequency parameters of human body and they know that this transmission or radiation harms our health.

A commonly used modulation source – **a transmitter** – is composed of (simplified): **Carrier waves generator, modulator and power amplifier.**

The signal intended for transmission (an information) is encoded (modulated) at the output and is broadcasted via antenna to the ether, where, as a result of transmission, originates the **electromagnetic field through which pulsates the electromagnetic oscillation and it resonates with electromagnetic field of planet. These resonance fields constantly flood our living environment.**

Cosmic Friends use devices where EVERY single component is SCREENED so as not to interfere with vibrational field of human body and of natural environment. I.e., there occurs no activation of electromagnetic field in the surrounding of any source of transmission. And therefore, no pulsating resonance field, which would in a negative way interfere with vibration parameters of human body, is created.

The entire device, however, is screened too. This results in perfectly screened device or source of transmission. In addition, Cosmic people say they use various types of transmission sources, not only devices mankind use of alternating current.

Established terminology:

(1)

Frequency level: Indicates the number of changes of polarity of transmitted electromagnetic signal within one second in a defined range.

(2)

Modulation source: Artificially made source dedicated for transmission of information in various frequency levels. Transmitted information is stored (modulated) on the main carrier wave.

(3)

Vibration parameter: The electromagnetic field resulting from all mutually influencing components of electromagnetic oscillation and radiation in given environment. It indicates its characteristic profile. It originates by combining all possible electromagnetic fields from surrounding sources (for which hold the laws of folding, refraction and reflection).

(4)

Vibration coefficient: (generally formulated): Represents ratio of vibration parameters of 2 various environments. For ratio of vibration parameters of natural environment and an artificially (by modulation sources creating pulsating resonance electromagnetic field) created environment, we use the term **vibration quotient**.

(5)

VIBRATION QUOTIENT thus is: **Ratio of two vibration coefficients; it determinates the relation between vibration coefficient of NATURAL environment and vibration coefficient of an environment with ARTIFICIALLY created pulsating resonance electromagnetic field.**

The value of vibration parameters for NATURAL healthy environments is equal to values of the natural environment. And these fields are NOT pulsating.

On Earth, vibration quotient IS NOT included in the vibration fields and, therefore, this phenomenon IS NOT responsibly MONITORED !!!

Somebody is missing here who would responsibly proclaim that this phenomenon is a **RESONANCE EFFECT**, and who would include it in vibration fields and **observe and consider values of vibration quotients as a determining factor providing fundamental information about our environment.**

According to the **EFFECT ON EARTH MAN**, electromagnetic fields can be divided to **COARSE-VIBRATORY** and **FINE-VIBRATORY** fields.

(A)

FINE-VIBRATORY FIELDS – natural sources, stable and non-pulsating, existing independently of earthly transmission sources.

Planet Earth – earth surface, water sources, water packings, flora, fauna. (Sun and other cosmic sources have pulsating either long-wave or short-wave nature.)

Planet Earth has steady North pole and South pole. (Magnetic north and south pole do not coincide with geographic ones). In the sphere of planet, there is a constant stable (non-pulsating) earthly electromagnetic field.

(B)

COARSE-VIBRATORY FIELDS – Our living environment is constantly flooded by electromagnetic currents; this results in origination of **pulsating electromagnetic coarse-vibratory field with its characteristic traits.**

There are **two types of coarse-vibratory energy transmitters.** The criteria is their **wave length:**

1. Long-wave coarse-vibratory radiators (emitters)

a) Artificially manufactured coarse-vibratory long-wave radiators:

Modulation sources (transmitters of TV, radio, GSM signals, cell phones, radars, satellite dishes, earth satellites etc.)

b) Other electric appliances and devices (e.g., translation stations, amplifiers, electric energy distribution system) which use electric energy for their operation. They become sources of electromagnetic fields, sometimes even they are not working (are just connected to the electric outlet).

2. Short-wave coarse-vibratory radiators (emitters)

a) Radiation from other earthly and Cosmic sources (e.g., X-rays, electromagnetic component of cosmic radiation).

b) HUMAN – thoughts and feelings significantly affect vibration structure of living environment. NEGATIVE THOUGHTS = COARSE-VIBRATORY ENERGIES !!!

Coarse-vibratory radiators constantly in a negative way (by means of its constant **pulsation**) deform the calm and stable field of planet Earth, resulting in **resonance effect**. This results in **a field harmful for human health. Size of values of electromagnetic field frequency levels, as well as length of stay inside it, are the determining factors of damage to human health.** These fields have negative effect also on nature, fauna and flora. They are sources of another yet unexplained phenomena. (Other harmful source is our polluted living environment – the air, water, soil, and thus the entire food chain.)

The pulsating electromagnetic field, thanks to its resonance, causes the separation of individual substances in an organism in accordance with its molecular weight. This separation results in origination of so called **resonance product** and this is constantly being accumulated in other parts of the body. This consequently results in origination of ALL civilization diseases (damage to permanent character – the nerve-centre and genetics, impairment of immune system etc.). **The chemical disruptions to health is, considering the order in terms of significance, BEHIND the vibrational disruptions to health !!!**

Vibration diagram of human body and its frequency levels:

Given by our Cosmic Friends out of love for us, November 20, 2004:

Vibration values of environments we move in:

(According to Cosmic Friends, these values are standard for all kinds of planets.)

Human:

Physical body – 10^{20} and more Hz – rises depending on rising of spiritual awareness – the Spiritual Path, pic. 688, messages 819 - 847 (corresponding frequency of energies comes both from True worlds – intuition – help of Cosmic people of the Forces of light, to the left auxiliary positive channel, and from dark worlds – negative controlling energies fed by negative entities into the right auxiliary negative channel, see pic. 811, message 1761).

Spiritual component (emotional component) – 10^{24} and more Hz

Vibrations of spiritual body according to the position on the Spiritual Path:

Being in the 1st revolution – 10^{24} - 10^{25} Hz
2nd revolution – 10^{25} - 10^{26} Hz
3rd revolution – 10^{26} - 10^{27} Hz
4th revolution – 10^{27} - 10^{28} Hz
5th revolution – 10^{28} - 10^{29} Hz
6th revolution – 10^{29} - 10^{30} Hz
7th revolution – 10^{30} and more Hz

Mental body (thinking) – 10^{1500} - 10^{15000} Hz

Emotional body (emotional component) – $10^{1\,200\,000}$ and more Hz

Compare this with today's frequency levels:

According to information from our Cosmic Friends -

Digital broadcast: 10^{13} Hz – 10^{26} Hz

X-rays: 10^{16} – 10^{20} Hz

Gamma rays: 10^{18} – 10^{25} Hz

Vibration parameters of planet Earth:

(According to Cosmic Friends, these values are standard for all kinds of planets.)

The following vibration values refer to **physical bodies** of animals and plants:

Animals: 10^{27} Hz

Plants: 10^{28} - 10^{39} Hz

Soil profiles: 10^{17} Hz
Water lines: 10^{75} - 10^{76} Hz

Vibration parameters of every man are very specific (every human has immutable – specific vibrations). It is possible to scan his vibration level and having a sufficient access to the source of transmission, one can monitor it easily (with the intention of help) – both content of thoughts and emotions, and his location.

For purposes of better fixation while measuring from Cosmos, we (Cosmic people) use a technique named **elimination of vibrational cover**.

Based on knowledge that every building has its specific traits, we can monitor not only facilities, buildings and areas, but also people who are inside such facilities or buildings.

After screening out selected parts of building, the remaining part of building is shown on our monitors and so we get a perfect image about interior of that part.”

(I was shown a large hall with moving people and some disciplinal staff in uniforms. The entire image looked as if the hall was being scanned from its ceiling.)

*I thank our Friends from Cosmos for this information and, in the first place, I thank to **the Prime Creator of all and everything**.*

HELP FROM HEAVEN

“I see a community
of noble minded beings,
composedly radiating
into the parallel universes.

Everybody there lives
that noble life
in their beautiful home
on the chaste heaven.

The planetary assembly,
that immense radiance,
that joy and dignity,
manifestation of maturity.

Fresh generation of young Angels rises,
their school days expired;
henceforward they become immersed
in work for the Creator Himself.

The first time they will take off in space ships,
flying to all the ends of universe
and parallel dimensions,
to provide their help.

They shall ensure aid for fellowmen,
who would otherwise stagnate,
who allow themselves to be convinced
that helpful actions speak louder than words.

Many dark planets need help,
besides this terrestrial planet,
since they fell into trap,
and could not slip out of it.

Magnificent spaceships come in
with radiating crew
to help every caller

by means of their Light.

Nobody would be left without assistance,
anybody can rely on the inner voice
of these brothers and sisters,
who come also when the times get hard.

They are still awake, with their wise eyes open,
and come to feel how and when they should help;
their piece of advice is beyond price,
because it liberates from a trap and leads to joy.

From slavery to real life,
where everybody finds time
for his beloved fellowman,
principally for all inhabitants.

Myriads of gold droplets
are continuously moving across the universes,
arousing love with joy;
it is beyond all doubt.

The Angels living in heaven
inspire by their courage and wisdom,
rejoicing at knowledge;
they themselves thus grow up.

They move towards their sempiternal goal,
to the primary Creator;
they want to understand Him,
and to be at His and everybody's service.

Across the heaven
is spread joy, composure and love;
kind magnanimous help is provided
for everybody everywhere.

Nobody lives there in fear
that he would become marooned somewhere,
because fellowman's eye
would surely dwell on him.

That's brotherly, sisterly love,
proven by their acts;
they receive anybody with open arms

and their heart continuously radiates joy.

The peace of home worlds, that harmony,
is in heaven always evident,
there is the real life in blossom;
you did not miss a word, dear Ivo !

Yes, when you feel our presence
and when you see us in our homeland,
you report that to people effortlessly,
since you have made many visits.

As the little spring bird is singing today,
also the Angel is joyful,
radiantly loving anybody,
who thus feels and makes everybody happy.

We gather together here, above the planet Earth,
and help you very much,
so that you could also arouse love
and thus become liberated from the trap.

You are still conscious of us
the brothers, sisters and children,
who came from other stars to love you,
and this love we leave here as a seal.

We strive for the best reward:
your radiating love,
your pure relationships
being aglow on the planet Earth like small flames !

Gentle touches mirror the life of stars
giving proper direction to your life,
will change those pilferers into sparkling clean seed
to come Home later, in winter.

Yes, that's the way we do things here and everywhere,
since the universe exists,
this dateless wisdom emanates
from your heart to the surface."

*Thank you dear **Ptaah**
and **the Prime Creator**,
I'll pass this with love in my heart
on to all earthly people.*

JAYS

“While walking in forest, in the green realm,
you hear jay shouting in warning above your head:

“Keep an eye on the man,
who stepped in our empire !”

Similarly also we, the torchbearers from stars
find ourselves in roles of jay;
we warn all who are on their travels:

WATCH YOUR STEPS – YOU ARE IN THE CONTROLLING REGIME !

Shouting and calling,
we do not pretend that everything is O.K.,
we do not get accustomed to present state of affairs,
we do not run away with the idea that the world is a candle.

We call continually all over the region:
Hello ! Puppets – wake up !
Do not profess, that this is the stuff !
The checkers have stolen your minds !

We appear in the roles of jay
to warn terrestrials,
that they do not lead the right live.
They are just like PUPPETS HAVING A HAND IN PROGRAMS OF DARKNESS.

We call to every corner of the country,
that the checkers from the Darkness
have evil designs:
THEY HAVE PROGRAMMED THOUSANDS OF MILLIONS YEARS FOR YOU !

Likewise thousands “lives” on thousands of planets,
where you are supposed to fetch and carry
for food, clothing and air,
“living” in underground slums !

These heartless ones also prepare for you
lives in realms of nature,
where the environment is not devastated by technology,
but you would be fully incorporated into elements of nature !

We continually call like jay:
WATCH YOUR STEPS, DEAR TERRESTRIALS !
We have already warned people of all kinds,
who should now guide the hand of their fate.

We will not stop calling to the world
as long as we stay here.
We have the Right Home in our HEART,
and there is anybody welcome !

This was transmitted with love in heart
to all terrestrials by Ashtar Sheran.”

*I thank you, beloved Ashtar,
thank you, the Prime Creator of all and everything;
with joy I shall deliver the message to people
having heart caressed by their breath.*

BRACE UP MAN

“Where is your candle, dear one ?
Where is the Light of truth, of wisdom ?
You know that: in your BREAST !
Just set your eyes; that will do: it is coming !

You neglect your heart of hearts,
that does not serve you purpose
intended for the puppet worlds,
led by the checkers !

I hear your answer: “That’s fine with me, here”;
but it will do only for some time now,
and later you would have to fetch and carry

for food, clothing and air, “living” in underground slums !

Cheer up, man of the world;
I call you from your Home,
where you were born:
“It’s high time for you to adopt PROPER COURSE !

By YOUR EVERYDAY CHOICES
is determined the course of your sovereign life,
on the analogy of a ship pitching in circles
on tumultuous sea, when the seashore is far away !

The checkers are at all times sucking in
your limited energy,
but you may thwart their plans,
if you decide on the new course !

I have often called you, ignorant kid:
IN YOUR BREAST IS HIDDEN
Lord Jesus Christ,
but you don’t have to link him with that name.

Be particular about CHOICES OF YOUR PRECEDENCIES
you take in your life:
by these is reliably determined
the KIND of road you would have to take.

The angels of Light have been waiting
for thousands of years for you, dear child;
you are now staying on the planet Earth,
having the liberty to FORM a chain of your lives.

By choice of points on the railway station
are selected rails,
leading either Home, to the True Creation,
or to infernal darkness.

Once you have made the choice,
you should not complain about outcome;
you could find to your cost
MANY FOLLOWING CONSEQUENCES !

This was transmitted by the One,
who navigates your submarine at open sea

– in the zone of displacement – through the medium
of the true impulses of Light.”

*thank you, the Prime Creator;
I shall deliver the message to people with love.*

2008. The Control Pyramid (451). (Received by Ivo A. Benda.)
2:05-2:25 p.m. September 20, 2004.
Place: Train Havírov – Český Tesín.

THE CONTROL PYRAMID

“Welcome, dear little one,
on that Earth of yours;
you have chosen the mission of help,
to bring for people love and truth.

That’s necessary here,
since the Forces of darkness are working diligently;
they want to wrap human souls
into bad capsules.

As you know that for a long time,
you can enlighten souls by light,
erode capsules by love,
and disclose the mission of Light.

You walk courageously, shrouded in darkness,
on the road paved by propulsions,
that are transmitted from spaceships
by sisters and brothers, who promised help.

You are passing examinations fearlessly,
even in situations of darkness – quite so !
There is a fixed point in your chest,
Jesus – your pilot !

You are not afraid of small saurians,
you shall make them jump the rails;
they continually try to enslave others by means of programs
and want to take control skillfully even of you.

But you shall laugh at them:
„boys, you are no match for me“,
you shall get them there by way of love,
they announce that their programs are in chaos.

Plan beforehand next to nothing,
but sense the guidance of Light,
since the checkers are not able
to disturb it by any program.

They make you laugh,
just doing what they know:
fetch and carry for air, food and clothing,
„living“ in underground slums !

They got what was coming to them
because of their choices;
however, learning from their mistakes they can remedy them;
then their affairs would take a turn for the better !

You are in better position,
enjoying more freedom, the nature;
but they envy you that all,
having nothing more than pictures.

They got their just deserts:
they are imprisoned
in the underground slums of frosty wasteland,
like on the planet Mars.

This controlling pyramid
once shall be liquidated:
Lord Jesus Christ shall dissolve it by means of his love,
when everything will be answered properly.

This was transmitted by The Lord Jesus Christ.”

*Thank you dear Jesus,
I will pass this on to people !
Ivo.*

THE PUPPET SCENE

“The human world is dancing quickly,
as a mighty program,
glancing up like to its optimal reality,
imposed from the Dark worlds.

By every selection is decided,
whether the puppets of the puppet scene,
will dance with rhythm
regulated by controlling machine – the datasystem.

The majority of people is liable to it,
sections of them then demand care:
that’s the individually programmed,
dancing puppet scene !

Only one man of one hundred people really lives,
just some of them feel
the inner life – the spiritual one –
apart from the controlling machines!

They at all times refuse
millions of programs,
thrown out from that puppet scene
of little saurians – crazy work.

The dance of puppets culminates;
they continually build something,
having programmed almost everything,
without asking their heart of hearts.

All in good time:
the puppet scene tilts,
the chasm of darkness yawns bellow
as a place of possible death by drowning.

They dance and dance with rhythm, all the time,
listening to the chirping of news from media,

to the platitudinous halftruths,
defined just by controlling programs.

Only few people
stand clear of that system
introduced by the pseudo-creators,
who want to visit it now.

Various cosmic forces
watch shrewdly the course of events,
going on this puppet Earth
with the Creator's permission.

Make a stop, little one,
remain INACTIVE for a while,
thus you temporarily liberate yourself from the dominance,
as you want !

This was transmitted with love in heart
to terrestrials by Ashtar Sheran."

*Thank you dear Ashtar,
With love and joy I'll give this to all. Ivo.*

2020. The problem of humankind (463).

(Received by Ivo A. Benda.)

5:52-6:29 a.m. September 26, 2004.

Place: Velka Fatra.

THE PROBLEM OF HUMANKIND

"The problem of humankind is that it is 90% located INSIDE A MASSIVE CONTROL PROGRAM which has been running in a machine – computer – THE DATASYSTEM controlled by pseudo-creators from dark worlds for as long as 7 million years. This human cuss is a consequence of negative choices by which some individuals in the Creation (from many other worlds) choose THE NEGATIVE STATE, thus these cunningly imposed control programs from the darknesses. When a control program is received by human, his Spirit, soul and physical body change correspondingly in a negative way; the Spirit and soul get more encapsulated thanks to received negative energies, and most of physical body's communication channels get closed since BLOCKS are created in them as a consequence of unmanaging life situations. An important part of this process is reprogramming of the pure – unburdened DNA genes (genes are programs that control body behavior at 65 %) in human body cells with burdened DNA genes, which, after being run, are able to carry out evils and

falsities with the body. In a spiritual sense, human being chooses PERVERTED SPIRITUAL PRINCIPLES OF LOVE, GOOD, TRUTH and WISDOM, hence PSEUDO-PRINCIPLES OF NON-LOVE, EVIL, FALSITY and FOOLISHNESS, which are both perverted feminine principle (no love, evil) and perverted masculine principle (falsity and foolishness), and these perverted principles have corresponding vibrations of energies of many bodies of a human being – COARSE-VIBRATORY ENERGIES AT A LOW FREQUENCY.

In this negative state, a human has INVERTED UNDERSTANDING OF REALITY, the white is black and the black is white for him, the positive is negative and the negative is positive for him, and the colorful view of world is extremely black-and-white for him, etc. – THE ILLUSION OF REALITY. In such ILLUSION regarded as truth, all endeavors to live a happy, harmonious and fruitful life are futile, and one can only experience frustrations, pain, illnesses and injuries, surprises, isolation and separation, massive ignorance, various sorts of slaveries and multitude of negative dependencies or addictions.

These are the outcomes of choices of those individuals who prior to birth and now choose the negative state, and, after ending this very short life on planet Earth, they move to various dark worlds corresponding to the DEGREE of no love, evil, falsity and foolishness of these individuals.

Every one can at any time make a CHANGE, turn back, and, instead of the negative state, choose the positive state by means of the SPIRITUAL PATH (messages 819 - 847, pic. 688 at www.angels-heaven.org). THERE IS NO SPIRITUAL GROWTH WITHOUT WORK OF LIGHT, thus without SELFLESS HELP TO ONE'S FELLOWS in fields of HEALING, MEDITATION OR TELEINFORMATION.

BY RECEIVING THE POSITIVE ATTRIBUTES OF THE PRIME CREATOR OF ALL AND EVERYTHING, which is LOVE, GOOD, TRUTH and WISDOM – the true spiritual principles, a human being can undergo TRANSFORMATION – the process of positive change of the Spirit, soul and physical body, and then return back HOME, to TRUE WORLDS of the Prime Creator of all and everything. The being can then rejoice in a quality, free, harmonious, happy and fruitful life in corresponding societies based on POSITIVE PRINCIPLES OF CONSCIOUSNESS AND GIVING.

This was given to people of planet Earth by me, The Lord Jesus Christ.”

*Thank you The Lord Jesus Christ for this message, I'll gladly convey and pass it on people of our dear planet Earth.
With love in heart, Ivo.*

MESSAGE OF JESUS TO PEOPLE

“Dear people,

this human world on planet Earth is a PUPPET-SCENE REMOTELY CONTROLLED by extraterrestrial NEGATIVE ENTITIES via control programs implemented in a MACHINE – the datasystem several years in advance, and corrected via operative (on-the-fly) programming from several days up to several months in advance. The control energies are sent out from an antenna system on an outpost base on Moon. These energies have form of very fine waves which easily penetrate through the entire Earth. Every human has an energetic system (which scientists do not know) into which are in a form of impact – i.e., forcefully – via the right auxiliary negative channel inserted control energies.

Man chooses 95 % of these control energies, and only 5% of true information from the Prime Creator of all and everything, Cosmic people, Me, and from his/her encapsulated Spirit and soul.

People choose and build this pseudo-world by numerous choices they constantly make and realize, and so they are headed to worlds which are more dark than this one on planet Earth.

Everyone has any time a chance and opportunity to come to oneself, collect oneself and return to the positive state of the True Creation, to the state of INDEPENDENCE AND FREEDOM, AWARENESS, WISDOM AND LOVE, where one originally came from and where one was created by the purest love, wisdom, goodness, truth and intelligence – by THE PRIME CREATOR OF ALL AND EVERYTHING. This PUPPET-WORLD is permitted by Him/Her for the purpose of LEARNING WHAT TO UNCHOOSE and for the purpose of illustration of what would the life be like under the baton of the PSEUDO-CREATORS who activated and have been maintaining the NEGATIVE STATE over hundreds of thousands of pseudo-world for billions of years.

This message is for all who have ears to hear and eyes to see the TRUTH about their state and situation, and who seek the LIGHT.

The Lord Jesus Christ.”
